Worthington, 2015-07-11 Excerpt from *The Broken Sword or a Pictorial Page in Reconstruction* I have considered the oppressions that are done under the sun and on the side of the oppressor there is power In the enforcement of the policy of Reconstruction in the South the evidences were from day to day becoming so cumulative and decisive that nothing but the discipline of an enraged party coupled with the spoils principle prevented the whole mass of the community from a universal expression of its desire to have it abandoned Reasoning men everywhere felt that it must continue to multiply its mischiefs But said its authors treason must be made odious and the late insurrectionary States must feel that there is a higher law than that promulgated by their ordinances of secession The Spanish inquisition now the abhorrence of all enlightened minds was long sustained in many centuries by the tyrants plea of necessity In the burning of a thousand heretics the religious zealot saw the hand of God in the destruction of a thousand sorcerers the fanatic discerned the commonweal of the people so in the whips and cords with which the people of the South were so mercilessly scourged there was found an antiseptic for the gangrenous wounds indicted by the civil war About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Broken Sword; Or, A Pictorial Page in*
