Touching Liberty Karen Sánchez-Eppler, 2024-06-28 In this striking study of the pre Civil War literary imagination Karen Sánchez-Eppler charts how bodily difference came to be recognized as a central problem for both political and literary expression Her readings of sentimental anti slavery fiction

slave narratives and the lyric poetry of Walt Whitman and Emily Dickinson demonstrate how these texts participated in producing a new model of personhood one in which the racially distinct and physically constrained slave body converged alongside the sexually distinct and domestically circumscribed female body Moving from the public domain of abolitionist politics to the privacy of lyric poetry Sanchez Eppler argues that attention to the physical body blurs the boundaries between public and private Drawing analogies between black and female bodies feminist abolitionists use the public sphere of anti slavery politics to write about sexual desires and anxieties they cannot voice directly However Sanchez Eppler warns against exaggerating the positive links between literature and politics She finds that the relationships between feminism and abolitionism reveal patterns of exploitation appropriation and displacement of the black body that acknowledge the difficulties in embracing difference in the nineteenth century as in the twentieth Her insightful examination of these issues makes a distinctive mark within American literary and cultural studies This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1993 **50 Fat Quarter Toys** Ame Verso,2019-12-03 Use your fat quarter cuts to create dozens of toys stuffed animals playmats glove puppets and more A celebration of handmade toys featuring fabulous stuffed animals handmade baby gifts Christmas makes and more all made using fat quarter cuts of fabric the most popular way that sewers buy fabric Continuing the series from 50 Fat Quarter Makes this fun collection features beautiful photography step by step diagrams and templates for over 50 handmade toys with patterns provided by a wealth of international talent All the toys are made using simple sewing techniques alongside patchwork applique and embroidery **Country Crafts** Time-Life Books,1989 Step by step directions provide information on materials equipment and procedures for 28 craft projects *Hobbies* ,1977 **Brotherhood of Maintenance of Way Employes Journal** ,1963 **Floppy Toys** Brenda Morton,1970 Instructions and diagrams for making sixteen floppy toys from remnant materials Includes a photograph of each finished toy **Race, Work, and Desire in American Literature, 1860-1930** Michele Birnbaum,Michele Elam,2003-11-20 Table of contents **Southern States Cooperative Farmer** ,1994 **Doll Sourcebook** Argie Manolis,1996 A Complete directory of supplies and services for making selling and collecting dolls **Old-fashioned Christmas Crafts** Better Homes and Gardens,1995 Provides illustrated instructions for creating over 70 classic holiday gifts and decorations **New York** ,1999 **Witch Crafts** Willow Polson,2002-01-11 Polson offers an easy to follow and imaginative guide to crafts appropriate for all ages and levels of expertise Every project included has a useful and sacred purpose and the finished works are perfect for giving wearing or using in ceremony and celebration Relics ,1973 Early American Life ,1988
