One Child Torey Hayden, 2018-02-20 Six year old Sheila never spoke she never cried and her eyes were filled with hate Abandoned on a highway by her mother unwanted by her alcoholic father Sheila was placed in a class for emotionally disturbed children after she committed an atrocious act of violence against another child Everyone said Sheila was lost forever everyone except her teacher Torey Hayden Torey fought to reach Sheila to bring the abused child back from her secret nightmare because beneath the rage Torey saw in Sheila the spark of genius And together they embarked on a wondrous journey a journey gleaming with a child's joy at discovering a world filled with love and a journey sustained by a young teacher's inspiring bravery and devotion [Just Another Kid](#) Torey

Hayden, 1989-04-03 Torey Hayden faced six emotionally troubled kids no other teacher could handle three recent arrivals from battle-torn Northern Ireland badly traumatized by the horrors of war eleven year old Dirkie who only knew of life inside an institution excitable Mariana aggressive and sexually precocious at the age of eight and seven year old Leslie perhaps the most hopeless of all unresponsive and unable to speak With compassion rare insight and masterful storytelling teacher Torey L Hayden once again touches our hearts with her account of the miracles that can happen in her class of special children

Murphy's Boy Torey Hayden, 2018-02-20 When Torey Hayden first met fifteen year old Kevin he was barricaded under a table Desperately afraid of the world around him he hadn't spoken a word in eight years He was considered hopeless incurable but Hayden refused to believe it With unwavering devotion and gentle patient love she set out to free him and slowly uncovered a shocking violent history and a terrible secret that an unfeeling bureaucracy had simply filed away and forgotten But she never gave up on this tragic lost case For a trapped and frightened boy desperately needed her help and she knew in her heart she could not rest easy until she had rescued him from the darkness **Beautiful Child** Torey

Hayden, 2003-04-29 In the tradition of David Pelzer's *A Child Called It* comes the unsettling story of a mute almost catatonic seven year old and the special education teacher who tries to save her from the silence and abuse of her world Hayden has

chronicled experiences from her long career as a special education teacher in several books including *One Child* and *The Tiger's Child*. Successes in this difficult and often frustrating field can be few and hard won a fact which Hayden deftly illustrates while simultaneously offering hope and joy in small victories. This time she brings to life the story of a scruffy seven year old Venus who is so unresponsive that Hayden searches for signs of deafness, brain damage or mental retardation. The author is relentless in her attempt to diagnose the cause of Venus's almost catatonic state which is punctuated by occasional violent outbursts. In this first person narrative Hayden also shares her own thoughts, worries and reflections on the strained relationship with a mismatched classroom aide creating a rich tapestry of the dynamics of a group of special needs youngsters and the adults who try to help them.

Murphy's Boy Torey Lynn Hayden, 1983-12 When Torey Hayden first met fifteen year old Kevin he was barricaded under a table desperately afraid of everything around him. He had not spoken in eight years. Torey Hayden refused to call any child a hopeless case but to help Kevin she might need a miracle. *Twilight Children* Torey Hayden, 2017-02-28 From the bestselling author of *One Child* comes the story of three of former special education teacher Torey Hayden's most extraordinary challenges. Nine year old Cassandra kidnapped by her father and found starving, dirty and picking through garbage cans is a child prone to long silences and erratic violent behavior. Charming, charismatic four year old Drake will speak only in private to his mother while his tough unbending grandfather's demands for an immediate cure threatens to cause irreparable harm. And though she had never worked with adults, Hayden agrees to help fearful and silent eighty two year old massive stroke victim Gerda discovering in the process that a treatment's successes could prove nearly as heartbreaking as its limitations.

Somebody Else's Kids Torey Hayden, 1982-08-01 Were all just somebody else's kids. A small seven year old boy who couldn't speak except to repeat weather forecasts and other people's words. A beautiful little girl of seven who had been brain damaged by terrible parental beatings and was so ashamed because she couldn't learn to read. A violently angry ten year old who had seen his stepmother murder his father and had been sent from one foster home to another. A shy twelve year old from a Catholic school which put her out when she became pregnant. What do we matter? Why do you care? They were four problem children put in Torey Hayden's class because no one else knew what to do with them. Together with the help of a remarkable teacher who cared too much to ever give up they became almost a family able to give each other the love and understanding they had found nowhere else.

Overheard in a Dream Torey Hayden, 2012-07-10 Bestselling author Torey Hayden's novel is a fascinating study of a fractured family, a troubled child and a psychiatrist's attempts to rescue them.
