IDENTIFICATION AND ORDERING

IDENTIFICATION:

All Toro Products, including single stage snowthrowers, have two identification numbers: a model number and serial number. In any correspondence concerning your snowthrower, always supply the model and serial number, to assure the correct information or replacement parts are obtained. The two numbers are stamped on a decal, which are located in various places on the snowthrowers. The location will vary depending on the model and year the unit was manufactured. Please note the diagrams to determine the location of the model and serial number decal on your unit (Figure 1 through Figure 3).
