*Termites You Have to Want To* James R. Melendez, The Book *Termites You Have To Want To* is written by Izzy the reformed termite and Jim It is written in the first person by both Izzy and Jim The purpose of this publication is to put into every day language the challenges that termite technicians have had to endure in the treatment of structures understanding the label and in dealing with regulatory agencies for over the past four decades We will briefly review and discuss the different kinds of termites and their biology so as to have reference points as we journey through this publication We will then go back in our time machine to view the early developments of our Industry and how it developed and evolved into the monster that it is now Then we will project into the future using the past and present as our guide The language used is not fancy or necessarily scientific as it tends to diminish the clarity of what is being spoken It is rather in terms understandable to the everyday reader **Fowler's Zoo and Wild Animal Medicine Current Therapy, Volume 7** R. **The Cockroach Combat Manual II** Dr. Austin M. Frishman & Paul J. Bello,2013-10 In the early 80s we were evaluating a new cockroach control product in a high rise housing project Cockroach populations were high even though the apartment we were in was squeaky clean The three small children that shared a twin bed there looked different to me but I wasn't sure why Dr Frishman pointed out that they didn't have any eye brows or lashes and then he exposed thousands of roaches hiding behind the head board Some things you never forget In my view having Paul Bello an industry expert himself with years of practical experience team up with Dr Cockroach makes *The Cockroach Combat Manual II* a must read because cockroach
