Trusting Him in All of Life's Situations Irene Bryan, 2023-12-29 Life's journey carries one in many directions and through different paths and roads One does not know what situations one may encounter But what one does know is God can be trusted to help navigate one through Situations will come and that is a fact because Jesus said so And whatever Jesus said will be so because he is not a liar It is a comfort to know that when situations come Jesus will be there to see us through Situations are not always easy to face especially when there is a time of waiting As humans we often want instant gratification But that is not how God works He works through his time and not ours Trusting him with our situations teaches us how to wait Waiting requires other things with it such as faith hope and trust These are the antidote to help us not to become anxious fearful discouraged and worried These are the things that will consume and prevent us from trusting him when situations come There are stories in the Bible from the Old and New Testaments that illustrate various situations God's people face Through these stories we learn about the struggles and hardships many experienced during their situations We also gain insight into how his people such as Joseph Moses David Ruth Ester Job Paul Silas and others trusted in God in their situations They believed that God was able to meet the need of the situation so they were able to trust in him And guess what they were not disappointed And neither will you if you trust him in all of your life's situations
