Truth Or Territory A Biblical Approach To Spiritual Warfare:

Truth Or Territory Jim Osman, 2015-09-11 This book offers a critique of common spiritual warfare practices including binding Satan renouncing curses spiritual mapping and exorcisms Using Scripture and Scripture alone Pastor Jim Osman shows that true spiritual warfare is not a battle over territory but a battle for the truth The book is divided into four sections Establishing Biblical Principles Exposing Unbiblical Practices Explaining Biblical Perspectives and Examining a Biblical Passage A biblical approach to spiritual warfare recognizes the Bible as the sole authority rejects unbiblical and man made methods and rests in Christ and His finished work for victory Many in the modern spiritual warfare movement teach a methodology of spiritual warfare that is more akin to something you would find in a Harry Potter novel renouncing curses and using prayer mantras to seize territory than anything described in Scripture Many of these practices reflect a theology built on anecdotes experience and interviews with demons rather than a sound exegesis of Scripture Footnoted quotations of authors like Mark Bubeck Neil T Anderson and others are compared against Scripture to show that modern spiritual warfare experts have abandoned the authority of Scripture and opted for man made methods to wage spiritual battle The chapters include a study of the three enemies that every Christian faces the world the flesh and the devil Pastor Osman answers from Scripture the questions Can a Christian be demon possessed Is Christ s authority ours and What about exorcisms One chapter includes a helpful discussion of the link between spiritual warfare and a believer s sanctification The foreword is written by international conference speaker Justin Peters justinpeters.org This book is being published as an e book as a fundraiser to finish the new church building of Kootenai Community Church www.kootenaichurch.org of which Jim is one of the pastors All the proceeds go the building fund for the completion of that project You can see regular updates at <http://www.truthorterritory.com>

Jerry Robeson,Carol Robeson,2000-01-01 How to Wage Spiritual Warfare in the Last Days An important spiritual law was revealed by Jesus in Luke 11 21 22 and Matthew 12 29 How can one enter into a strongman s house and spoil his goods except he first bind the strongman And then he will spoil his house Now instead of binding symptoms we can attack the sixteen strongmen or demonic spirits mentioned by name in the Bible If God names them they are real and He has given us dominion over them through the Name of Jesus In easy to understand language this book Teaches how to zero in on and quickly identify the strongman in every situation Illustrates each strongman by a tree showing the fruits or symptoms for quick identification Instructs how to bind the enemy and loose the power of God according to Matthew 18 18 Provides instant recognition when and where Satan is attacking our lives and the lives of those around us Shows that God wants us to be free from Satan s hassles so that we can reach this world for Christ Strongman s His Name What s His Game offers a scriptural balanced and uplifting approach to present day spiritual warfare Spiritual Warfare Brian Borgman,Robert Ventura,2014-01-10 Too often Christians today either sensationalize the subject of spiritual warfare by obsessing over demon possession exorcisms binding the devil and rebuking demons or they minimize the idea and are unprepared for the real struggle they face against principalities and powers Pastors Brian Borgman and Rob Ventura provide a balanced approach that exposes the fictions and superstitions surrounding this vital doctrine and at the same time reveal the unseen realities of this struggle Basing their battle plan on Ephesians 6 10 20 the authors give an overview of the battle a guide to the armor God gives us and instruction regarding the vital wartime disciplines of prayer and proclamation of the Word By learning to think biblically about this subject Christians are enabled to deflect the blows of their adversary fight sin and live God glorifying lives as followers of Jesus Table of Contents Preface

Cleansing the Cosmos E. Janet Warren, 2012-11-08 Understanding evil spiritual forces is essential for Christian theology yet discussion is almost always phrased in terms of spiritual warfare Warfare language is problematic being dualistic assigning a high degree of ontology to evil and poorly applicable to ministry This unique study proposes a biblically based model as the first alternative to a spiritual warfare framework for dealing with the demonic thus providing insights for preaching counseling and missiology Warren develops this model using metaphor theory and examining four biblical themes Creation Cult Christ and Church Metaphors of cleansing ordering and boundary setting are developed in contrast to battle imagery and relevant theological issues are engaged Boyd s warfare imagery Barth s ideas of evil as nothingness and Eliade s notion of the sacred and the profane The role of the Holy Spirit is emphasized and the ontology of evil minimized This model incorporates concentric circles evil being considered peripheral to divine reality and provides a refreshing alternative to current spiritual warfare models *ThirdWay*, 1988-03 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture

A Kingdom of the Truth or Deception? David K. Hebert Th.D., 2024-12-18 This book has been the culmination of over forty years of study on the concept of defending the Christian faith against false religions and cults that oppose that faith by exposing them Since 2007 the study took on a more academic researched scholarly tone while writing one chapter in the doctoral work It was during that time frame that studying the false religions and cults took on a more focused biblical historical and Christian orthodox direction So the foundation of this book uses the Parable of the Wheat and the Weeds Tares in Matthew 13 24 30 36 43 and a clear understanding of the core orthodox Christian beliefs as the standard for Christians to compare the kingdom of God versus the kingdom of darkness and God s truth versus Satan s lies error throughout biblical history from the Garden of Eden to the present day especially as the day of Jesus Christ s return so rapidly approaches

The Branch Exposition of the Bible, Volume 2 Michael A. Eaton, 2024-09-30 A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and ordinary Christians alike to help open God s word and shed its light into life

ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit Together with the New Testament volume this exposition of the Old Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture Selling the Stairway to Heaven Jim Osman, 2015-04-01
