325, Volume 1 Alexander Roberts, James Donaldson, A. Cleveland Coxe, 2022-08-18 Philip Schaff's classic work colloquially known as Early Church Fathers is an invaluable resource filled with the primary documents and early theological building blocks for the Christian Church. Comprised of 38 volumes, it is broken into three parts: the Ante Nicene Fathers and Nicene and Post Nicene Fathers First and Second Series. *The Nation*, 1923 *Humanities*, 1982 *The Confessions of Saint Augustine* Saint Augustine, Paul Camacho, 2021-12-13 The Confessions of St Augustine Villanova Edition for Students and Faculty. The book is a multi-modal resource designed to supplement deeper reading with highlighting and notation and to engage students through audio, visual, and critical analysis. It includes standard features such as highlighting, search, and notation as well as custom elements like a timeline map and art gallery. The audio reader enhances the reading experience and critical commentaries written by experts especially for this edition aid student comprehension of key sections and concepts of the text. The Confessions of Saint Augustine is considered to be the greatest Christian classic. Augustine's notorious life before his baptism raised questions about the genuineness of his conversion. It is his honest struggle with the faith which has given The Confessions such timeless appeal over the last sixteen centuries. Augustine's Confessions is more than mere autobiography for it is also an impassioned admission of past mistakes, confession at a level most might think of it and praise of God, confession of another sort that of love and awe. Given his checkered past, Augustine addressed the concerns of those who doubted the sincerity of his conversion to Christianity and his claim to the post of bishop of Hippo Regius in North Africa. Thus the text made up of 13 chapters called books serves as an apologia, formal written defense as well as a hortatory inspiration to others who have not yet converted. Influenced by the Christian approach to reading sacred text as the living Word of God, *lectio divina*, The Confessions also require a deeper reading than readers may be accustomed to. *Lectio divina* rooted in monastic practices of the 4th century AD is prayerful and approaches a text with a fourfold reading process: read, reflect, meditate, pray, and rest in God's presence and resolve to grow and change in this new understanding. Augustine's great work has impacted not only theology but also philosophy especially in discussion of time and memory. *The Century Dictionary*, 1889 *The Ante-Nicene Fathers: The apostolic fathers, Justin Martyr, Irenæus*, 1885 *A Commentary on Revelation, Form #17.055* Brookly Stockton, 2020-02-06 Explanation of the main theme of Revelation which is government corruption and the obligation of Christians to prevent it.
