

3.0 – Certification body contract requirements with the client

Summary of the changes:

3.1 d) and e) Changed the requirement from “shall authorize ...” to “cannot refuse”

The contract between the certification body and the client shall address the following items:

- d) the client *cannot refuse the presence* of an IATF representative or their delegates,
- e) the client *cannot refuse the request* of the certification body to provide the final report to the IATF,

Added in 3.1 that the audit team shall be knowledgeable in the legally enforceable agreement with the client

Added in 3.2 the failure by the client to inform the certification body of a change may result in withdrawal of the client’s ISO/TS 16949 certificate

These statements shall clearly appear in the contract with the client.
Therefore, all contracts shall be updated with the new wording.
