Turn Of The Century:

The Turn of the Century Christian Berg, Frank Durieux, Geert Lernout, 1995 Rewritten versions of contributions to an international conference held at the University of Antwerp in May 1992 Starting point for the conference was the vagueness of the very terms modernism and modernity In the first section a group of comparatists address the theoretical and terminological problems of modernism Practical readings of modernist writers discussions of different modernist movements and the work of critics who have contributed to debates about modernism make up the second section The third section looks at the problem of modernism from an interartistic and interdisciplinary perspective *Turn of the Century* Kurt Andersen, 2011-03-09 As big and exciting as the next century this is a novel of real life at our giddy feverish topsy turvy edge of the millennium Turn of the Century is a good old fashioned novel about the day after tomorrow an uproarious exquisitely observed panorama of our world as the twentieth century morphs into the twenty first transforming family marriage and friendship and propelled by the supercharged global businesses and new technologies that make everyone's lives shake and spin a little faster As the year 2000 progresses George Mactier and Lizzie Zimbalist ten years married are caught up in the whirl of their centrifugally accelerating lives George is a TV producer for the upstart network MBC launching a truly and weirdly groundbreaking new show that blurs the line between fact and fiction Lizzie is a software entrepreneur dealing with the breakneck pleasures and pains of running her own company in an industry where the rules are rewritten daily Rocketing between Los Angeles and Seattle with occasional stopovers at home in Manhattan for tag team parenting of their three children George and Lizzie are the kind of businesspeople who growing up in the sixties and seventies never dreamed they would end up in business They're too busy to spend the money that's rolling in and too smart not to feel ambivalent about their crazed high gloss existences but nothing seems to slow the roller coaster momentum of their intersecting lives and careers However after Lizzie recovering from a Microsoft deal gone awry becomes a confidante and adviser to George's boss billionaire media mogul Harold Mose the couple discovers that no amount of sophisticated spin can obscure basic instincts envy greed suspicion sexual temptation and maybe love When they and their children are finally drawn into a thrilling high tech corporate hoax that sends Wall Street reeling and makes one person very very rich George and Lizzie can only marvel at life's oversized surprises and hold on for dear life Like Tom Wolfe's *Bonfire of the Vanities* Kurt Andersen's *Turn of the Century* lays bare the follies of our age with laser beam precision creating memorable characters and dissecting the ways we think speak and navigate this new era of extreme capitalism and mind boggling technology Entertaining imaginative knowing and wise *Turn of the Century* is a richly plotted comedy of manners about the way we live now [Béla Bartók and Turn-of-the-Century Budapest](#) Judit Frigyesi, 1998 This text grounds Bartók's art in turn of the century Hungary and its modernist movement It argues that Hungarian modernism and Bartók's aesthetic should be understood in terms of a collective search for wholeness in life and art **The Turn of the Century/Le tournant du siècle** Christian Berg, Frank

Rhetorical Education in Turn-of-the-Century U.S. Women's Journalism Grace Wetzel, 2023-11-27 Examining the rhetorical and pedagogical work of three turn of the century newspaperwomen At the end of the nineteenth century newspapers powerfully shaped the U S reading public fostering widespread literacy development and facilitating rhetorical education With new opportunities to engage audiences female journalists repurposed the masculine tradition of journalistic writing by bringing together intimate forms of rhetoric and pedagogy to create innovative new dialogues Rhetorical Education in Turn of the Century U S Women s Journalism illuminates the pedagogical contributions of three newspaperwomen to show how the field became a dynamic site of public participation relationship building education and activism in the 1880s and 1890s Grace Wetzel introduces us to the work of Omaha correspondent Susette La Flesche Tibbles Inshta Theamba African American newspaper columnist Gertrude Bustill Mossell and white middle class reporter Winifred Black Annie Laurie Journalists by trade these three writers made the mass circulating newspaper their site of teaching and social action inviting their audiences and communities especially systematically marginalized voices to speak write and teach alongside them Situating these journalists within their own specific writing contexts and personas Wetzel reveals how Mossell promoted literacy learning and community investment among African American women through a reader centered pedagogy La Flesche modeled relational news research and reporting as a survivance practice while reporting for the Omaha Morning World Herald at the time of the Wounded Knee Massacre and Black inspired public writing and activism among children from different socioeconomic classes through her Little Jim story The teachings of these figures serve as enduring examples of how we can engage in meaningful public literacy and ethical journalism

The Ethos of Romance at the Turn of the Century William J. Scheick, 1994-03-01 The romance genre was a popular literary form among writers and readers in the nineteenth and early twentieth centuries but since then it has often been dismissed as juvenile unmodern improper or subversive In this study William J Scheick seeks to recover the place of romance in fin de siècle England and America to distinguish among its subgenres of eventuary aesthetic and ethical romance and to reinstate ethical romance as a major mode of artistic expression The authors whose works Scheick discusses are Nathaniel Hawthorne H Rider Haggard Henry James C J Cutcliffe Hyne H G Wells John Kendrick Bangs Gilbert K Chesterton Richard Harding Davis Stephen Crane Mary Austin Jack London Robert Louis Stevenson Mary Cholmondeley and Rudyard Kipling This wide selection expands the canon to include writers and works that highly merit re reading by a new generation

I. Ya Pomeranchuk and Physics at the Turn of the Century N. Narozhny, Lev Borisovich Okun?, 2003 This conference was dedicated to the memory of the great scientist and teacher I Ya Pomeranchuk on the occasion of his 90th birthday It was multidisciplinary and covered those fields of physics where Pomeranchuk made outstanding contributions including high energy physics quantum field theory theory of liquid helium condensed matter physics physics of electromagnetic processes in matter and astrophysics Most of the plenary

Politics at the Turn of the Century Arthur M. Melzer, Jerry Weinberger, M. Richard Zinman, 2001. Visit our website for sample chapters. [Turning The Century](#) Carol Stabile, 2018-04-24. The essays in *Turning the Century* make a significant contribution to our understanding of America's love affairs with novelty and the mass media. The essays also show that neither the current communications revolution nor the response to it is unprecedented. Through this book, Carol Stabile provides a historical context within which scholars and students of American culture can interpret and understand end of the millennium fever, particularly the claims of politicians, pundits, and even cultural studies scholars who maintain that recent information technology innovations make the present moment unique. Contemporary studies of mass media and popular culture reflect a similar emphasis on what is new, distinct, and therefore specific to contemporary culture. Claims of millennial transformation, however, are only possible insofar as the history of mass media can be forgotten or ignored. In *Turning the Century*, Carol Stabile analyzes those hidden and now all but forgotten conditions and relations of production that continue to shape and inform contemporary culture.

Britain at the Turn of the Twenty-first Century Ulrich Broich, Susan Bassnett, 2001. At the turn of the twenty-first century, Britain is in a state of change. It is being transformed by the ongoing process of devolution, as well as by its increasing multi-ethnicity. At the same time, the relationship with the European Union remains controversial. This book charts these transformations in the context of the changes Britain experienced a century ago at the turn of the twentieth century. Focusing on British politics, culture, and literature, the articles examine a range of topics, including models of utopian and apocalyptic thought, the contemporary celebrity cult, the state of literary theory in Britain, and the recent boom in lyrical poetry and the drama of blood sperm. The book is of interest to university lecturers, teachers, students of English, and the general reader interested in the present condition of the United Kingdom. Book jacket: *China's Literary and Cultural Scenes at the Turn of the 21st Century* Jie Lu, 2013-10-18. China's literary and cultural production at the turn of the twenty-first century is marked by heterogeneity, plurality, and diversity. Given its complexity, the literary-cultural production of this period perhaps can be understood most productively as a response to a global modernity that has touched and transformed all aspects of contemporary Chinese reality. The eleven essays in this book offer an introduction to some of the most important works published at the turn of the twenty-first century. In combining textual analysis of specific works with theoretical insights and in locating the texts in their sociocultural and socioeconomic contexts, the essays explore key theoretical issues and intellectual concerns of the time. They collectively draw a broad contour of new developments, major

trends and radical changes capturing the intellectual and cultural Zeitgeist of the age All in all these essays offer new theoretical approaches to and critical perspectives on contemporary Chinese literature and culture

Rethinking Japanese Economic Policy at the Turn of the 21st Century Junko Watanabe,2024-09-30 This book focusing on the Japanese economy mainly from the 1990s to the 2010s examines the Japanese industrial and fiscal monetary policies and evaluates its achievements and limits from a historical perspective Although the period that was also referred to as the lost decade or two three decades was marked by various policy discussions there are still few studies that summarize them as a history Another unique feature of this publication is that it includes the contributions not only from researchers but also from those who are were in a position close to the policy makers By rethinking this era many Japanese not just researchers and policy makers will be motivated to move toward a new era Many of the chapters in the book are based on the primary sources not found elsewhere including the interviews with policymakers and collection of policy documents in addition to the authors own analysis views and findings They attempt to describe policymakers struggles to exit from the long term recession after the collapse of the bubble economy seeking to get back on the trajectory for economic growth The readers will gain new factual perceptions and discoveries from these historical contexts The issues presented in this book will also contribute to the international understanding of policy efforts in Japan which is facing a frontier with high uncertainty Japan s experience and its challenges are common in many aspects to developed countries now and in the future

Emotions and Migration in Argentina at the Turn of the 20th Century María Bjerg,2021-10-07 Revealing the lives of migrant couples and transnational households this book explores the dark side of the history of migration in Argentina during the late 19th and early 20th centuries Using court records censuses personal correspondence and a series of case studies Mar a Bjerg offers a portrayal of the emotional dynamics of transnational marital bonds and intimate relationships stretched across continents Using microhistories and case studies this book shows how migration affected marital bonds with loneliness betrayal fear and frustration Focusing primarily on the emotional lives of Italian and Spanish migrants this book explores bigamy infidelity adultery domestic violence and murder within official and unofficial unions It reveals the complexities of obligation financial hardship sacrifice and distance that came with migration and explores how shame jealousy vengeance and disobedience led to the breaking of marital ties Against a backdrop of changing cultural contexts Bjerg examines the emotional languages and practices used by adulterous women against their offended husbands to justify domestic violence and as a defence against homicide Demonstrating how migration was a powerful catalyst of change in emotional lives and in evolving social standards Emotions and Migration in Early Twentieth century Argentina reveals intimate and disordered lives at a time when female obedience and male honour were not only paramount but exacerbated by distance and displacement
