for the guidance of teachers.

Paper 1 (Core), maximum raw mark: 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners made judgements on awarding marks. It does not include the details of the discussions that took place at an Examiners' meeting before starting marking, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

Cambridge is publishing the mark schemes for the May/June 2011 question papers for most IGCSE, AICE, Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.
