Tony has six years of experience with three top companies, like Google, and has a Bachelor's Degree from NYU. P.S., he loves football and going for runs so be sure to reach out if you need a running buddy.
- Second employee's full name, along with the same style of information as listed above.
- Third employee's full name, along with the same style of information as listed above.

Please join me in giving a very warm welcome to our new team member(s) and be sure to introduce yourselves!
