The Company will lease a space (6,000 square feet) in New York City. As NY is one of the largest and most densely populated cities in the US. The city has a large and diverse population that could support many different types of gyms. With a large number of young professionals and a growing interest in health and fitness.

The company envisions raising an equity investment of \$110,000, to purchase the gym equipment's, to renovate the space, obtain permits and licensing, advertising, and staffing.

The majority of the expenses are related to the purchase of gym equipment, that includes cardio machines, strength training machines, free weights, functional training equipment (TRX bands, battle ropes, plyometric boxes, and agility ladders), stretching equipment, and fitness accessories.

It aims to become the first-choice of the target segment and further envisages becoming a renowned brand in the US market.

Equity Capital: \$130,000
