Wendy Eileen Hoole Book:

Descendants of James and Jane Hoole Wendy Eileen Hoole, Ross Johnathan Hoole, 1993 South African national bibliography, 1998 Classified list with author and title index *Knighthood in the Morte Darthur* Beverly Kennedy, 1992 A lucid and rich analysis eminently suited to students at undergraduate and graduate levels CHOICE Beverly Kennedy puts Malory's concern with knighthood at the very heart of the *Morte Darthur*. She identifies three types of knight: the Heroic Gawain, the Worshipful Tristram, and Arthur and the True Lancelot. Gareth and the Grail Knights, and argues that this knightly typology creates the thematic unity of the *Morte Darthur*. It also allows Malory to develop two quite different contexts: one pragmatic and political, the other religious and providential, within which the reader may judge why Arthur's reign ended in catastrophe. BEVERLEY KENNEDY is Professor of English at Marianopolis College, Canada. Transcript of the Enrollment Books New York (N.Y.). Board of Elections, 1945 The Gatsby Affair Kendall Taylor, 2018-08-08 The romance between F. Scott Fitzgerald and Zelda Sayre has been celebrated as one of the greatest of the 20th century. From the beginning their relationship was a tumultuous one in which the couple's excesses were as widely known as their passion for each other. Despite their love, both Scott and Zelda engaged in flirtations that threatened to tear the couple apart. But none had a more profound impact on the two and on Scott's writing as the liaison between Zelda and a French aviator, Edouard Joazeur. Though other biographies have written of Joazeur as one of Scott's romantic rivals, accounts of the pilot's effect on the couple have been superficial at best. In *The Gatsby Affair*, Scott, Zelda, and the Betrayal That Shaped an American Classic, Kendall Taylor examines the dalliance between the southern belle and the French pilot from a fresh perspective. Drawing on conversations and correspondence with Joazeur's daughter, as well as materials from the Joazeur family archives, Taylor sheds new light on this romantic triangle. More than just a casual fling, Zelda's tryst with Edouard affected Scott as much as it did his wife and ultimately influenced the author's most famous creation, *Jay Gatsby*. Were it not for Zelda's affair with the pilot, Scott's novel might be less about betrayal and more about lost illusions. Exploring the private motives of these public figures, Taylor offers new explanations for their behavior. In addition to the love triangle that included Joazeur, Taylor also delves into an earlier event in Zelda's life: a sexual assault she suffered as a teenager, one that affected her future relationships. Both a literary study and a probing look at an iconic couple's psychological makeup, *The Gatsby Affair* offers readers a bold interpretation of how one of America's greatest novels was influenced. **The General Stud Book**, 1915 *Bookseller and the Stationery Trades' Journal*, 1913 *The Publisher*, 1912 **The Publishers' Circular and Booksellers' Record**, 1912 **Medieval Children** Nicholas Orme, 2003-01-01 Looks at the lives of children from birth to adolescence in medieval England **British Books**, 1912 *The Egyptian Revival* James Stevens Curl, 2013-04-03 In this beautifully illustrated and closely argued book, a completely updated and much expanded third edition of his magisterial survey, Curl describes in lively and stimulating prose the numerous revivals of the Egyptian style from Antiquity to the present day. pioneering and definitive work analyzes the remarkable and persistent influence of Ancient Egyptian culture on the West The author deftly develops his argument that the civilization of Ancient Egypt is central rather than peripheral to the development of much of Western architecture art design and religion Curl examines the persistence of Egyptian motifs in design from Graeco Roman Antiquity through the Medieval Baroque and Neo Classical periods rise of Egyptology in the nineteenth and twentieth century manifestations of Egyptianisms prompted by the discovery of Tutankhamun s tomb various aspects of Egyptianizing tendencies in the Art Deco style and afterwards For students of art architectural and ancient history and those interested in western European culture generally this book will be an inspiring and invaluable addition to the available literature The Bookseller ,1913 Official organ of the book trade of the United Kingdom National Library of Medicine Current Catalog National Library of Medicine (U.S.),1988 **The Rotarian** ,1952-10 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine The Book Trade in Canada ,1999 *The Law Times* ,1855 *Catalog of Copyright Entries.
