Guide, 2005-10 From the foremost authority on TV viewing comes a complete guide to television shows on DVD **Geek Chic** S. Inness, 2016-04-30 Mainstream society has often had a deeply rooted fear of intelligent women Why do brilliant women make society ill at ease Focusing on the US Sherrie Inness and contributors explore this question in the context of the last two decades arguing that more intelligent women are appearing in popular culture than ever before *Imagining Politics* Stephen Benedict Dyson, 2019-07-09 *Imagining Politics* critically examines two interpretations of government The first comes from pop culture fictions about politics the second from academic political science Stephen Benedict Dyson argues that televised political fictions and political science theories are attempts at meaning making reflecting and shaping how a society thinks about its politics By taking fiction seriously and by arguing that political science theory is homologous to fiction the book offers a fresh perspective on both using fictions such as *The West Wing* *House of Cards* *Borgen* *Black Mirror* and *Scandal* to challenge the assumptions that construct the discipline of political science itself *Imagining Politics* is also about a political moment in the West Two great political shocks Brexit and the election of Donald Trump are set in a new context here Dyson traces how Brexit and Trump campaigned against our image of politics as usual and won [Two Against the Underworld - the Collected Unauthorised Guide to the Avengers Series 1](#) Alan Hayes, Richard McGinlay, Alys Hayes, 2017-01-26 *Two Against the Underworld* brings together eight years of research to tell the story of *The Avengers* from both sides of the camera It has now been further revised following the recovery of the episode *Tunnel of Fear* The authors lift the lid on all 26 Series 1 episodes Comprehensive chapters detail the narratives in extended synopsis form as well as the production transmission and reception of each episode and the talented personnel who made them The creation of *The Avengers* Ian Hendry's departure the series destiny and the mystery of the missing episodes are explored in a series of essays each of which has been revised *Avengers* writer Roger Marshall and Neil Hendry both contribute forewords to this volume The book also boasts black and white illustrations by Shaqui Le Vesconte and 70 pages of appendices that deal in depth with the unproduced episodes of Series 1 Keel and Steed's further adventures in the comic strip *The Drug Pedlar* and the novel *Too Many Targets* and much more *What's Next* Melissa Fitzgerald, Mary McCormack, 2024-08-13 INSTANT NEW YORK TIMES BESTSELLER A behind the scenes look into the creation and legacy of *The West Wing* as told by cast members Melissa Fitzgerald and Mary McCormack with compelling insights from cast and crew exploring what made the show what it was and how its impassioned commitment to service has made the series and relationships behind it endure Step back inside the world of President Jed Bartlet's Oval Office with Fitzgerald and McCormack as they reunite the *West Wing* cast and crew in a lively and colorful backstage pass to the timeless series This intimate in depth reflection reveals how *The West Wing* was conceived and spotlights the army of people it took to produce it the lifelong friendships it forged and the service it inspired From cast member origin stories to the collective cathartic farewell on the show's final night of filming *What's Next* will delight readers with on set and off camera anecdotes that even *West Wing* superfans have never heard Meanwhile a deeper

analysis of the show's legacy through American culture, service, government and civic life underscores how the series envisaged an American politics of decency and honor creating an aspirational White House beyond the bounds of fictional television. What's Next revisits beloved episodes with fresh untold commentary, compiles poignant and hilarious stories from the show's production, highlights initiatives supported by the cast, crew and creators and makes a powerful case for competent, empathetic leadership, hope and optimism for whatever lies ahead.

Social Media and Everyday Politics Tim Highfield, 2017-06-26 From selfies and memes to hashtags and parodies, social media are used for mundane and personal expressions of political commentary, engagement and participation. The coverage of politics reflects the social mediation of everyday life where individual experiences and thoughts are documented and shared online. In *Social Media and Everyday Politics*, Tim Highfield examines political talk as everyday occurrences on Twitter, Facebook, blogs, Tumblr, Instagram and more. He considers the personal and the political, the serious and the silly, and the everyday within the extraordinary as politics arises from seemingly banal and irreverent topics. The analysis features international examples and evolving practices from French blogs to Vines from Australia via the Arab Spring, Occupy, *Jesuis Charlie*, Eurovision, Black Lives Matter, Everyday Sexism and *illridewithyou*. This timely book will be a valuable resource for students and scholars in media and communications, internet studies and political science as well as general readers keen to understand our contemporary media and political contexts.

Focus On: 100 Most Popular American Stage Actresses Wikipedia contributors, [Retaking Rationality](#) Richard L. Revesz, Michael A. Livermore, 2008-04-16 That America's natural environment has been degraded and despoiled over the past 25 years is beyond dispute Nor has there been any shortage of reasons why short sighted politicians a society built on over consumption and the dramatic weakening of environmental regulations In Retaking Rationality Richard L Revesz and Michael A Livermore argue convincingly that one of the least understood and most important causes of our failure to protect the environment has been a misguided rejection of reason The authors show that environmentalists labor unions and other progressive groups have declined to participate in the key governmental proceedings concerning the cost benefit analysis of federal regulations As a result of this vacuum industry groups have captured cost benefit analysis and used it to further their anti regulatory ends Beginning in 1981 the federal Office of Management and Budget and the federal courts have used cost benefit analysis extensively to determine which environmental health and safety regulations are approved and which are sent back to the drawing board The resulting imbalance in political participation has profoundly affected the nation's regulatory and legal landscape But Revesz and Livermore contend that economic analysis of regulations is necessary and that it needn't conflict with and can in fact support a more compassionate approach to environmental policy Indeed they show that we cannot give up on rationality if we truly want to protect our natural environment Retaking Rationality makes clear that by embracing and reforming cost benefit analysis and by joining reason and compassion progressive groups can help enact strong environmental and public health regulation

Windows into The West Wing Patrick Webster, 2020-05-05 The West Wing first broadcast in 1999 is thought by many to have been one of the most significant dramas shown on network television Despite its overly idealized depiction of American political life and blatant contradictions in the way we consider America its values its aspirations and its behavior in the world The West Wing nonetheless succeeds in attaining popular national and international aesthetic appeal This book aspires to explain the appeal of the show by considering issues such as race religion sexuality disability and education from both a practical and theoretical perspective through the lenses of feminism gender theory Marxism psychoanalytical theories structuralism poststructuralism postcolonialism and more It seeks to offer informative and revealing readings of one of the most significant television productions of recent times
