

State of West Virginia Uniform Traffic Crash Report

This page is an overview of the crash itself, beginning with the location, date and time, number of vehicles involved, and number of injuries. Take note of the time the investigating police officer arrived, which may be many minutes or even hours later.

The report documents the type of crash and the environmental conditions that may have contributed to it. Those conditions, such as bad weather or a wet roadway surface, could contribute to liability if a driver was going too fast for the conditions or otherwise operating recklessly.

The investigating officer documents the first harmful event – that is, the first moment in the crash that caused injury or property damage. This may or may not be the first event of the entire crash.

Ordinary Injustice Amy Bach, 2010-08-03 A groundbreaking book revealing the systemic everyday problems in our courts that must be addressed if justice is truly to be served Doris Kearns Goodwin Attorney and journalist Amy Bach spent eight years investigating the widespread courtroom failures that each day upend lives across America What she found was an assembly line approach to justice a system that rewards mediocre advocacy bypasses due process and shortchanges both defendants and victims to keep the court calendar moving Here is the public defender who pleads most of his clients guilty with scant knowledge about their circumstances the judge who sets outrageous bail for negligible crimes the prosecutor who habitually declines to pursue significant cases the court that works together to achieve a wrongful conviction Going beyond the usual explanations of bad apples and meager funding *Ordinary Injustice* reveals a clubby legal culture of compromise and shows the tragic consequences that result when communities mistake the rules that lawyers play by for the rule of law It is time Bach argues to institute a new method of checks and balances that will make injustice visible the first and necessary step to reform
