What Are The Old Testament Books

John Bergsma, Brant Pitre

What Are The Old Testament Books:

The Old Testament Christoph Levin, 2005 Examining the Old Testament in its historical context it also sheds new light on many of the shorter books including Jonah Job Ruth the Song of Solomon Ecclesiastes Esther and Daniel *The Old Testament Scriptures* Henry Harris (B.D.), 1890 Old Testament Books Made Simple James E. Smith, 2007-11-01 A book by book survey of the thirty nine books of the Old Testament Introduction to the Old Testament as Scripture Brevard S. Childs, 1979 This Introduction attempts to offer a different model for the discipline from that currently represented It seeks to describe the form and function of the Hebrew Bible in its role as sacred scripture for Israel It argues the case that the biblical literature has not been correctly understood or interpreted because its role as religious literature has not been correctly assessed *A Survey of the Old Testament* Andrew E. Hill, John H. Walton, 2000 A Survey of the Old Testament goes far beyond simply rephrasing biblical material to provide balanced insights on the literary historical and theological issues of each Old Testament book and of the Old Testament as a whole This revised edition makes the exceptional scope of the first edition more accessible to contemporary readers A redesigned interior complete with new visuals maps photos timelines and charts makes this book more attractive and useful than ever Treating the books of the Old Testament in the order of the English canon A Survey of the Old Testament explores the purpose and message of each book and shows how its literary structure has been applied to accomplish the intention of its inspired author The book also introduces the reader to issues such as Israelite and Near Eastern history archaeology the formation of the canon and geography Written by two widely respected scholars and educators A Survey of the Old Testament is designed to help readers develop a broad grasp of the Old Testament **A Brief Walk Through the Books of the Old Testament** Tony Smith, 2020-09-29 The Old Testament is a formidable book a historic journey moving from creation through the time of Noah and the flood to Abraham and his descendants Moses and the children of Israel high priests judges kings and the spoken words of God through the prophets In my studies of the books of the Old Testament I find that God's purpose and revelations are obscured with pages and pages of detail that makes for cumbersome reading and a somewhat distant grasp of its inspirations I wrote this book to summarize the main points from Genesis to Malachi and to provide the historical elements such as dates to tie the story to historical settings and events I have also pointed out along the way the presence of Christ and the Holy Spirit in these Old Testament writings Most of the books of the Old Testament are prophetic There were approximately eight hundred prophecies in the Old Testament and a large portion approximately six hundred have been fulfilled There is not a single biblical prophecy that pertains to a time that has now passed that is not fulfilled My goal is for this writing to serve as an easy and comfortable format for the reader to get to know God who we are to Him why we are here and to discover His wonderful pathway leading to eternal life I want to reach those who are led to the Word of God and upon opening up a Bible and reading a few pages become discouraged by its vastness and disconnect of such long ago times The Old Testament truly

has a long but remarkable timeline of history and I have endeavored to tie its writings accordingly in a brief walk through these inspired books of the Word of God
