The Social Cancer: A Complete English Version of Noli Me Tangere Jose Rizal, 2021-01-01 On the last of October Don Santiago de los Santos popularly known as Capitan Tiago gave a dinner In spite of the fact that contrary to his usual custom he had made the announcement only that afternoon it was already the sole topic of conversation in Binondo and adjacent districts and even in the Walled City for at that time Capitan Tiago was considered one of the most hospitable of men and it was well known that his house like his country shut its doors against nothing except commerce and all new or bold ideas Like an electric shock the announcement ran through the world of parasites bores and hangers on whom God in His infinite bounty creates and so kindly multiplies in Manila Some looked at once for shoe polish others for buttons and cravats but all were especially concerned about how to greet the master of the house in the most familiar tone in order to create an atmosphere of ancient friendship or if occasion should arise to excuse a late arrival an excerpt

I Can't Fall In Love (English Edition) Renée Conte, 2025-08-21 Five years had passed since Andrea and Beatrice had last seen each other in person and if it hadn't been for that incomplete message she had sent him by mistake they probably wouldn't have met again The two young people had met when they were still children during their summer holidays on the beach at Follonica A sincere and innocent friendship was immediately born between them which grew stronger every summer until as teenagers they realized that that friendship had turned into a tender infatuation especially on Andrea's part But their beautiful friendship did not continue due to the break off of the engagement between Beatrice's mother and her partner who no longer allowed her to return to Follonica Although Beatrice and Andrea both lived in Milan they never had the chance to meet During the year Andrea he used to study in Switzerland in the summer he spent his holidays in Follonica Then once he graduated from high school he moved to New York to continue his studies A distance that is difficult to bridge Then even their phone calls which were frequent at first became increasingly rare over time until they stopped altogether Therefore that delicate feeling that had united them as teenagers seemed destined to remain only a beautiful memory At the age of 19 and having put aside her crush on Andrea unlike her peers Beatrice still didn't have a boyfriend and was not interested in having one She preferred to avoid sentimental complications so as not to be conditioned by the expectations and decisions of others She had goals to achieve before she could fall in love first of all her studies then her career and last but not least her independence Beatrice knew the pain her mother had suffered for always putting love first She didn't want to make the same mistake But in love there are no rules it is practically impossible to choose when and with whom to fall in love because love is an instinctive feeling that arises when you least expect it that absorbs your body and soul that makes you do stupid things even and you cannot love or not love on command to avoid them Despite her stubbornness Beatrice's intentions are shattered when after receiving that message Andrea asks to see her again It takes little to awaken in the boy the strong feeling he had felt years before for his young friend at the same time Giorgio Beatrice's lifelong friend also declares to her that he feels something that goes far beyond mere friendship However she is not ready to start a romantic relationship neither with Andrea nor with Giorgio for whom she nevertheless feels a deep affection In order not to disappoint either of

them and not to make any decisions about their statements she is convinced that she will be able to manage the friendship of both of them Without emotional involvement but it is only an illusion and the sentimental complications she so badly wanted to avoid will come crashing down on her without her realising it With love also comes jealousy which will make her make bad decisions And it is from that moment that things really start to get complicated **Jane Austen: Pride and Prejudice**

Translation of Cāndāyan Naseem A. Hines,2023-06-16 This book is the first English translation of Cāndāyan the pioneer work in a long tradition of Indian Sufi love narratives The story was adapted from an oral epic Chanaini popular in the Awadhi speaking region of north India in the fourteenth century The early manuscripts of Cāndāyan though composed in the Awadhi dialect were recorded in the Persian script Each stanza like unit is introduced by a phrase or sentences in the Persian language style making it necessary for a reader to know the Persian script and language as well as the Awadhi dialect This somewhat limits the access to fully explore Cāndāyan In addition to this the esoteric interpretation which is the distinguishing feature that gives the Indian Sufi masnav literature its unique identity was also not yet realized Cāndāyan deserves to be celebrated and recognized because it marks the beginning of the indigenizing process of the masnav in India and served as a model for this literary genre for the next 540 years A serious study of Maulana Daud s Cāndāyan composed in 1379 in the reign of Firoz Shah Tughlaq did not begin until well into the twentieth century because only a few pages of its manuscript folios were discovered at a time in various academic institutions and museums around the world Cāndāyan is a fascinating study of the blending of the features of the Persian masnav with the features of the Hindi prem khyān narratives and the features of the medieval Jain literature Even today annually in the Mahakoshala region Cāndāyan is presented in the form of drama and in the folk song and play forms Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan English Causes Célèbres, Or, Reports of Remarkable Trials George Lillie Craik,1840 *Russian-English*
