A book club dedicated to reading mysteries with bad puns in the titles. A new groan-worthy title each month, followed by a contest to see which member can create a pun even more groan-worthy. The winner gets mildly mocked for the next 30 days. ;-)

What Does God Think? Cheryl B. Evans, 2017-09-10 A READERS FAVORITE 2018 AWARD WINNING BOOK The bestselling author of I PROMISED NOT TO TELL Raising a transgender child invites you on a fascinating exploration to discover the truth in What Does God Think Transgender People and The Bible Presented with the idea that her transgender child was not of God Cheryl B Evans set out to see what God really thinks about transgender people What does the Bible say Why is there such a big divide among Christians Why do some Christians insist there is no such thing as a transgender person while other Christians accept and affirm transgender people And most importantly what does God think This LGBT Christian book takes the reader on a journey that is educational and highly revealing What Does God Think is an invitation to examine the scriptures and give consideration to the social cultural and scientific facts that impact what we believe and the way we internally feel about transgender people Cheryl B Evans handles this controversial topic with grace and compassion for people on both sides of this debate If you have been struggling to understand how someone can be Christian and still accept and affirm transgender people then this book is for you If you know someone who is struggling to accept a loved one who has come out as trans this would be the perfect book to recommend Are you ready to have this conversation Opinions vary widely on the topic of gender and gender identity and when you mix religion into the conversation it gets even more interesting In this non fiction book Evans discusses these important social issues in a calm and nonthreatening way Making this transgender affirming book an excellent resource for both Christians and non Christians Grab your copy now and let s talk

Editorial Reviews Evans presents an accessible introduction to issues surrounding trans identity and Christianity After a brief explanation of the science of sexual diversity and the growing public awareness of trans people Evans embarks on a fairly high level exploration of the difficulty of relying on the Bible to address modern concerns She builds a case that the Bible is less conservative than many traditionalists assert Evans s clear heartfelt writing is a compassionate starting point for discussion Publishers Weekly BookLife Superb second book by Cheryl B Evans So much great reading in What Does God Think and it is so well presented Hallalujah Well done Award Winning Author Viga Boland No Tears For My Father What Does God Think does a great job of beginning a conversation One that does not judge or condemn but offers valuable thought provoking insights Ultimately it delivers a message of truth about God s unconditional love and purposeful creation of each of us As I have always believed we are all part of the story which rises out of God s love and Jesus teachings transcending time Love is like that Good teaching is like that They have iconoclastic power to draw humanity to the good however slow the process may be This book has the power to bring comfort and spiritual healing to individuals seeking to understand how being transgender is not against God It was a privilege to review What Does God Think and in doing so I have expanded my knowledge about transgender people The Reverend Dr Janet Brigham Reader Review A must read for Christian Transgender issues I thought I

was going to have to walk away from Christianity when my son came out as trans There is hope that some people are open minded in the church Edward This book perfectly sums up the seemingly inconsistent struggle between transgender people the Christian Church and God Conflicting views abound and its easy to get confused especially when raising a transgender child yourself having praised and loved God your whole life only to be told by some that your child simply isn t good enough or is actually possessed by demons This book will dispel fears and gives a good wholesome perspective on the situation Just breath continue to love God continue to love your child and don t let other people s opinions confuse you Highly recommended Catirona Borman
