Stephen Lucas,2001      *Active Listening 1 Teacher's Manual with Audio CD* Steve Brown,Dorolyn Smith,2006-09-18 Active  
Listening Second Edition is a fully updated and revised edition of the popular 3 level listening series for adult and young  
adult learners of North American English Each level offers students 16 engaging task based units each built around a topic  
function or grammatical theme Grounded in the theory that learners are more successful listeners when they activate their  
prior knowledge of a topic the series gives students a frame of reference to make predictions about what they will hear  
Through a careful balance of activities students learn to listen for main ideas to listen for details and to listen and make  
inferences Active Listening Second Edition is intended for high beginning to intermediate students It can be used as a main  
text for listening classes or as a component in speaking or integrated skills classes Features of the Student s Book A before  
you begin unit to develop awareness of listening strategies Updated prelistening schema building activities to build  
vocabulary New listen again activities for additional coverage of listening skills Optional your turn to talk pages that offer  
speaking and pronunciation practice New culturally rich Expansion units that include authentic student interviews A new self  
study listening section with audio CD for additional practice Features of the Teacher s Manual Step by step teaching notes  
with key words highlighted A wealth of optional speaking activities and listening strategies Suggested times for completing  
lessons Photocopiable unit quizzes Two complete tests with audio CD Complete answer keys      **Subject Guide to Books in**
