## Son Of Zeus:

Son of Zeus Glyn Iliffe, 2018-04-16 A historical fantasy set in ancient Greece that retells the mythological story of Heracles. Heracles has done something unforgivable. Son of the King of Olympus and savior of Thebes, Heracles is adored by all. Until his world is shattered. Born from Zeus's adultery, he has become the unwitting prey of Hera, who will stop at nothing to destroy him. Haunted by his crimes, he seeks penance with the Delphic oracle and is ordered to complete twelve seemingly unconquerable labors. Armed with superhuman strength and an unshakeable resolve, Heracles must overcome not just the mythical beasts of his trials but the vengeful gods themselves. Even for Heracles, redemption will not come easily. He has only one choice to fight. An awe-inspiring retelling of the myth of Heracles, *Son of Zeus* is perfect for fans of Bernard Cornwell, C. F. Iggulden, and Simon Scarrow. Praise for Glyn Iliffe's *Adventures of Odysseus* series: Suspense, treachery, and bone-crunching action will leave fans of the genre eagerly awaiting the rest of the series. *The Times Literary Supplement*: A must read for those who enjoy good old epic battles, chilling death scenes, and the extravagance of ancient Greece. *Lifestyle Magazine*: The reader does not need to be a classicist to enjoy this epic and stirring tale. It makes a great novel. *The Historical Novels Review*:

*Degradation* Kevin W. Saunders, 2011-01-10 Throughout history, obscenity has not really been about sex but about degradation. Sexual depictions have been suppressed when they were seen as lowering the status of humans, furthering our distance from the gods or God and moving us toward the animals. In the current era, when we recognize ourselves and both humans and animals, sexual depiction has lost some of its sting. Its degrading role has been replaced by hate speech that distances groups, whether based on race, ethnicity, gender, or sexual orientation, not only from God but from humanity to a subhuman level. In this original study of the relationship between obscenity and hate speech, First Amendment specialist Kevin W. Saunders traces the legal trajectory of degradation as it moved from sexual depiction to hateful speech. Looking closely at hate speech in several arenas, including racist, homophobic, and sexist speech in the workplace, classroom, and other real-life scenarios, Saunders posits that if hate speech is today's conceptual equivalent of obscenity, then the body of law that dictated obscenity might shed some much-needed light on what may or may not qualify as punishable hate speech. *Life Comes in Three Parts* Dan Brien, 2019-03-13 This is a walk through more than 5,500 years of the importance of threes in Irish medieval history and Celtic cultures. It reveals the importance of threes in today's modern society, from big business in movies to television and advertising. This is a brief story of how I discovered the three-particle principle and some incredible proof of threes supporting my theory from amazing brain puzzles, atoms, the English language, and many other subjects. The book also reveals fascinating Bible numbers 3, 7, 12, and 24, along with the seemingly ominous numerology number 23 and the magical number 9 in mathematics. There's no coincidence: the Almighty God of the Bible reveals himself as a trinity. The empty void of space is composed of three primary dimensions. Atoms are composed of three primary subatomic particles. The English language is founded on three basic words forming all stories we read: nouns, verbs, and adjectives. **Il-i-ad That Lad** Paul

**The Message of the Kingdom** Yliyah Paul, 2002-05-01 You've heard the lies Now learn the truth if you dare Prepare yourself for a real eye opener Take off your rose colored glasses before you read this one because it is probably the most controversial and revealing book ever written The truth is more precious than the purest gold and it has been said the truth is stranger than fiction The latter is very true in Satan's world of lies and deception as will be revealed for this book shakes the very foundations of most world religions age old philosophies and creation theories However only the emotionally mature the truly open minded and the intellectually brave should explore this book for the knowledge obtained can alienate as well as enlighten those who discover these truths There is much truth to be found in these pages but this book was not written for the masses but for the few who seek and love the truth more than their own lives We are now in The End of Days The last five years of increase in intensity and number of hurricanes tornadoes droughts and floods caused mostly by global warming plus a significant increase in famine incurable diseases terrorism and instability in the Middle East attest to that conclusion It's time for the truth in religion politics UFO's extraterrestrials creation theories and the future of mankind and Planet Earth Lies and myth have been perpetuated throughout the centuries With the dawning of a new era it is time the predestined purpose and nature of humanity and the true identity and nature of The Creator be revealed to those who desire and seek it The reader will discover how Satan has deceived the whole world through false teachers and mistranslation Evolution and Creationism or Creation Science along with other scientific methods are merged into an easy to understand synthesis for both have some validity in the creation of the universe The straight and narrow way that leads to eternal life is made plain and easy to understand and it is the same religion found in The Messiah's message expressed nearly 2000 years ago which believe it or not is not and was not Christianity Islam Hinduism Buddhism Taoism nor most versions of Judaism The Creator is described as all knowing and omnipotent in spirit as well as in physical and scientific terms For example he and his host have the power to appear and disappear as Spirit Beings or they can choose to take physical form and travel about the universe in their chariots of fire via wormholes at incredible speeds Time and space are of no consequence to The Eternal One and his Heavenly Host for they have long ago conquered both They rule and nurture all life in the universe and will soon return to rule Planet Earth when The Seed they have planted has come into fruition At his Messiah's coming his clouds of glory will be so numerous the sun will be darkened and the moon will not shed its light

Earthquakes floods droughts tornadoes hurricanes volcanoes famine disease wars terrorism and economic woes will continue to increase in intensity and frequency as the Four Horsemen of The Apocalypse come to full gallop as the time of the end approaches The author predicted the recent increase in terrorism and natural disasters with the first edition of this book in 1996 which was drafted in 1989 Time is running out for man as we know him A relatively rare breed of human will inherit the earth as The Wheat described in Matthew 5 3 10 13 23 planted as his seed of righteousness 6 000 years ago in Adam NOTE This book does not call for any violence Jihad or Holy War against any government or religion For those who live by the sword shall die by the sword Vengeance is mine says The Most High and when his Day of Indignation has come rest assured vengeance will be duly executed For they come from a far country from the end of Heaven even the Most High and the weapons of indignation to destroy the whole land Isaiah 13 5 Behold they shall come with fire and chariots like the whirlwind Isaiah 66 15 And what do these chariots look like Their appearance and their work was as it were a wheel in the middle of a wheel Ezek 1 16 Now look again at the front cover Get the picture what the clouds of glory really look like The reader will discover the science behind magic and the truth behind myth This is a last chance calling for those who love truth and are found worthy to be saved from the coming destruction and allowed to live in the coming wonderful world and rule with the Messiah for 1000 years This writing constitutes fulfillment of the prophecy of the Message of the Kingdom as correctly translated in Mark 13 10 Matthew 24 14 which is to be published preached into all the world just before The End of The Age
