The Song of the Angels tells the story of Jesus birth and other incidents in his life from the angels perspective Their emotions run high and low as they hear and view what is happening to their beloved Lord on Earth The announcement by God of the reason for Jesus leaving Heaven produces both dismay and joy Various songs are used to express their worship to their wonderful Lord and to announce his arrival on earth The songs are also used in the story to share the gospel message There is a special message to all in the final song that shares a glorious truth for all believers

Songs That Angels Sing Walter Eckstein, 2016-08-16 Two trees in the garden represent God s offer to man your way or God s way Our nature affected by disobedience must deal with disharmony Rain falls on the just and unjust alike and mankind continues to try to live forever with human effort only to be denied entry to Eden An angel still guards the entrance and the tree of life is out of the reach of man s best attempt Six thousand years of history will soon end with the elements burning with fervent heat As the old hymn says When the trumpet of the Lord shall sound and time shall be no more God s

musical masterpiece started with a grand introduction and God said will soon end with an equally impressive conclusion as the angels stand again in awe of the display of God s creative and redemptive work Can we even begin to imagine their wonder as they stand spellbound at the scene of billions of the redeemed bowing before Him and every tongue confessing Jesus is Lord Song of the Angels Adewale Thompson,1992
