Die Vermittlung deutschsprachiger Gegenwartsliteratur nach Frankreich Sarah Ehrhardt, 2016-02-25 Wie steht es heute um die Vermittlung deutschsprachiger Gegenwartsliteratur nach Frankreich Vor dem Hintergrund der Theorie des literarischen Feldes von Pierre Bourdieu werden in dieser Arbeit Marktbedingungen und Selektionsprozesse wichtige Akteure und Tendenzen im deutsch französischen Austausch beschrieben Neben einer statistischen Auswertung der verkauften Übersetzungslizenzen sowie der Einordnung wichtiger Titel und Verlage sind Auswahlkriterien für den Erfolg und Intensivierungsbestrebungen im Rahmen des Transfers Teil der Analyse Ergänzt wird die Arbeit durch ein umfangreiches Titelkorpus das die im Untersuchungszeitraum publizierten Texte aufhrt, *La Russie libre* William Hepworth Dixon William Hepworth Dixon, 1873 *The Love of An Uncrowned Queen: Sophie Dorothea, Consort of George I, and her Correspondence with Philip Christopher, Count Königsmarck* William Henry Wilkins, Sophie Dorothea of Celle the uncrowned queen of the first of our Hanoverian kings came of the ancient and illustrious family of Brunswick which was descended from Henry the Lion Duke of Bavaria and Saxony who it is interesting to note married Matilda eldest daughter of King Henry II of England It is not necessary to dwell upon the glories of the House of Brunswick but the immediate ancestry of Sophie Dorothea may be of interest After the Treaty of Westphalia which was somewhat disastrous to the Brunswick princes who took part in the Thirty Years War this family was divided into two branches Augustus Duke of Brunswick representing one and Frederick Duke of Brunswick Lüneburg representing the other On the death of Augustus his territories were divided amongst his three sons with only one of whom we are concerned Duke Antony Ulrich of Wolfenbüttel It is necessary to mention him as he played a not unimportant part in the life of his cousin Sophie Dorothea of Celle From this branch of the family the Dukes of Brunswick are descended and it gave another uncrowned queen to England in the person of the unfortunate Caroline consort of George IV Frederick Duke of Brunswick Lüneburg died in 1649 leaving the four sons of his brother Duke George his heirs Of these the eldest son Christian Louis was given the sovereign principality of Celle then the most important the second son George William subsequently the father of Sophie Dorothea was given the sovereign principality of Hanover The two younger sons John Frederick and Ernest Augustus had no territory at first When the four ducal brothers all young men entered upon their inheritance changes took place in the sedate and simple courts of Hanover and Celle Hitherto they had been typical of the petty German courts in the Middle Ages untouched as yet by foreign influences According to Vehse at the schloss of Celle meals were served daily in the great hall at nine in the morning and at four in the afternoon The retainers were summoned to meals by a trumpeter on the tower and if they did not appear punctually they had to go without As they ate a page went round bidding every one be quiet and orderly forbidding all swearing and rudeness or throwing about of bread bones or roast or pocketing of the same The butler was warned not to permit noble or simple to enter the cellar the squires were allowed beer and sleep drinks but wine was only served at the

Duke's high table All accounts were carefully kept and bills paid weekly The court was one big family and the Duke was the father of his people But this well ordered household was in the days of the old Duke Christian a predecessor of the four young princes who now divided the possessions of Brunswick L neburg The eldest Duke Christian settled down to a fairly quiet life at Celle his only fault we hear was drinking a very venial offence in those days But the second brother Duke George William found life at Hanover unbearably tedious He had little liking for the stiff and monotonous routine of his German court the simple lives of his subjects bored him and their rude manners and coarse habit of living disgusted him Though all his life strongly anti French in his politics he belonged to the newer school of German princes and affected the society and fashions of the French so much so that on one occasion a French envoy said to him at his own table But Monseigneur this is charming there is no foreigner here but you Though a young man George William had already travelled in Italy and acquired a certain polish of manners and superficial refinement not usually to be found among German princes of his time The first use he made of his freedom was to escape from the tedium of his uninteresting little principality and in company with his youngest brother Ernest Augustus who was then his boon companion and largely dependent upon his bounty he made another tour in Italy visiting Milan and Venice At Venice then at its zenith the brothers plunged into the delights and dissipations which the gay city offered George William formed an intimacy with a Venetian woman one Signora Buccolini by whom he had a son For many years he was devoted to her and maintained her in considerable affluence for with all his faults he was of a generous disposition But the lady was of so passionate jealous and exacting a temperament that at last she tired the patience of her protector After many quarrels he made an arrangement by which he settled a sum of money upon the mother and took the charge of the boy's education upon himself This was the final separation He took back the young Lucas Buccolini with him to Hanover clipped his Italian name into Bucco or Buccow and found him a place in his household Napoleon and His Fellow Travellers Clement King Shorter,1908 **Notes and Queries** William John Thoms,1872 **t. 2, t. 3** William
