Words from the Heart A Taste of Poetic Flavor, 2015-05-17 A Collection of Poems and Short stories expressed in a poetic format The Articles of Alf William John Hatten, 2018-01-06 This book brings to print a collection of past ignored feedback social topics issues that had appeared in news media outlets at the time That feedback response from the author also brought new information to those unresolved issues that continuously plague every Nation every generation They do require patient study as they are written from a spiritual understanding of the subject matter Because the present information coming out Education all Communication Mediums is incomplete It only contains the physical sourced facts in its content and not the spiritual sourced facts that underwrite all physical facts including life Until mankind finds a solution to address that

shortcoming in our existing acquired knowledge we will not solve the social issues contained in this book Along with many other unresolved world problems that unknowingly mankind has also created into perpetuity A growing chaos that is also preventing mankind from creating a Unified World of Nations A Crossroads of Information in the title of this book is to indicate that the Articles contained in it are written from a spiritual understanding of their subject matter Not just a physical understanding of the subject matter Because physical and spiritual are two sides of the same coin of life One visible and known and one invisible and unknown Until the physical path of knowledge merges with the spiritual path of knowledge in our education systems then life knowledge and education is incomplete in its understanding Therefore so are we as human beings
