Secularism in French Cultural Discourse

Vincenzo Pacillo,2024-11-10 This book explores the interplay between literature and law showing how writers from Victor Hugo to Annie Ernaux have influenced and reflected changes in secularism The book examines pivotal moments like the Dreyfus Affair intellectuals roles during the World Wars and French socio political shifts highlighting literature s engagement with religious freedom church state separation and equality Focusing on post 1964 developments it discusses the rise of the specific intellectual and integrates philosophical and sociological insights into literary analysis offering a comprehensive view of la cit beyond legal interpretations This multidisciplinary approach reveals how literature and intellectual thought have shaped and defended secularism in France Aimed at scholars and enthusiasts of law literature history and politics this book is essential for understanding the cultural political and legal dynamics of contemporary French secularism

Studies in French Forestry Theodore Salisbury Woolsey,1920

Michel Houellebecq, the Cassandra of Freedom ,2021-11-15 On 7 January 2015 the day of the murderous attack on the offices of the Paris satirical weekly Charlie Hebdo the cover of the current issue showed a drunken Michel Houellebecq in a wizard s cap making two prophecies In 2016 I will lose my teeth In 2022 I will observe Ramadan Houellebecq had previously described Islam as the stupidest of religions But on that day as terrorists sought to bring the justice of Islam to blasphemers for whom Michel Houellebecq was insufficiently anti Islamic Houellebecq s novel Submission depicting the democratic conquest of France by the Muslim Brotherhood was published by

Flammarion In this collection an international cast of authorities on politics and literature discuss the meaning and unprecedented impact of Michel Houellebecq's *Submission* **Short French Fiction** John Flower, 1998 This volume provides new insights into some of the best examples of this form of writing in the twentieth century and also includes a chapter which explores ways in which the genre is evolving as the century draws to a close **French Decadence in a Global Context** Julia Hartley, Wanrug Suwanwattana, Jennifer Yee, 2022-07-12 Decadence is seldom looked at in the context of colonialism and yet its heyday in the 1880s and 1890s is directly contemporary with the expansion of France's modern colonial empire Ever a slippery signifier Decadence figures alternately as pro colonial anticolonial and apolitical This edited volume gives a sense of the sheer range and diversity of intersections between colonialism and Decadence from anticolonial anarchist writers to colonial discourse from nineteenth century women writers to our contemporary Michel Houellebecq Different chapters explore these intersections in the cultural imagination of dance the novel travel writing historiographical theory and literary networks Decadence is often seen as an essentially metropolitan urban movement but this study identifies key spaces elsewhere from fin de siècle Saigon to India in the heyday of French colonialism from Byzantium to ancient Persia Although the colonies were held up by some as an antidote to the threat of French decline other writings reveal anxiety that the antidote might itself be a form of poison Colonial contact might exacerbate degeneration whether through cultural mixing or through the violence of colonial aggression itself A profound anxiety about French identity and France's so called mission civilisatrice is played out through the imagery the style and the pose of Decadence *Transnational French Studies* Charles Forsdick, Claire Launchbury, 2023-10-01 The contributors to *Transnational French Studies* situate this disciplinary subfield of Modern Languages in actively transnational frameworks The key objective of the volume is to define the core set of skills and methodologies that constitute the study of French culture as a transnational transcultural and translingual phenomenon Written by leading scholars within the field chapters demonstrate the type of inquiry that can be pursued into the transnational realities both material and non material that are integral to what is referred to as French culture The book considers the transnational dimensions of being human in the world by focussing on four key practices which constitute the object of study for students of French language and multilingualism the construction of transcultural places and the corresponding sense of space the experience of time and transnational subjectivities The underlying premise of the volume is that the transnational is present and has long been present throughout what we define as French history and culture Chapters address instances and phenomena associated with the transnational from prehistory to the present opening up the geopolitical map of French studies beyond France and including sites where communities identified as French have formed
