## **South African Military Application Forms 2015:**

**The Handbook of African Defence and Armed Forces** Evert Kleynhans, Marco Wyss, 2025-03-01 The Handbook of African Defence and Armed Forces provides the first in depth and multifaceted analysis of the evolution and current state of national defence policies strategies doctrines capabilities security challenges and strategic responses of African states and their armed forces Geographically these aspects are investigated at the national sub regional and regional levels Chronologically they are analysed against the backdrop of the superpower withdrawal from the continent in the 1990s and the so called New Scramble for Africa which has seen a crescendo of renewed great power interest in the continent s resources as well as its strategic role location and relevance since the 2000s The book takes a bottom up and African centric approach and is organized around five key themes i the differing security outlooks and defence policies of African powers within the region and the different sub regions ii the strategies doctrines transformation and employment of African armed forces iii the relationship between African armed forces with sub regional regional and international organizations iv the challenges that African states and their armed forces have been facing and their strategic responses and v the position of African perspectives and agency in the context of continental and international security and defence Understanding African security and defence especially in terms of each individual nation s ability to contribute to peacekeeping operations counterterrorism border security and internal security requires a focus on the national level of armed forces and defence policies this in turns sheds light on sub regional and regional divergences challenges and cooperation Based on this framework the chapters in this volume offer comprehensive African perspectives on African and international security and defence and in doing so show the agency of the continent s countries and armed forces in International Security and Relations

*Botha, Smuts and the Great War* Antonio Garcia, Ian van der Waag, 2023-10-30 In *Botha Smuts and the Great War 1914 1918* authors Antonio Garcia and Ian Van Der Waag conducted painstaking research in South Africa and the United Kingdom to produce this first of a kind volume on the wartime roles of South African prime minister General Louis Botha and his deputy General Jan Smuts These very different men appealed to different audiences Botha s nuance and emotional intelligence complemented Smuts s intellectualism Thrown into a world conflagration in August 1914 and facing internal rebellion and the threat posed by German troops on the borders they led South Africa s Union Defence Force Both Botha and Smuts commanded in the field Steadily the South African army they commanded benefiting from wartime training sometimes in the field gained resilience experience and battle hardiness adapting to the conditions of the campaigns and the demands of the tasks South Africa s campaigns were complex and divergent starting with the invasion of neighbouring German South West Africa to neutralise enemy radio stations and so aid the security of the South Atlantic Suddenly suspended following the outbreak of the Afrikaner Rebellion the campaign recommenced in January 1915 Following its conclusion an infantry brigade raised for Western Front service was diverted to Egypt before facing near annihilation at

Delville Wood Simultaneously a large South African force fighting alongside British African and Indian forces overcame German resistance in East Africa whilst a brigade of field artillery and later the Cape Corps served in Egypt and Palestine Moreover approximately 6 500 South Africans served in the British Army Royal Flying Corps Royal Air Force and in the Royal Navy Although lionised during the war by a British public hungry for heroes there is a different side to Botha and Smuts Shunned by Afrikaner nationalists at the time they have remained divisive figures Responsible for the enactment of the Land Act of 1913 which shaped South Africa's socio economic and political landscape Botha's statues in Cape Town Durban and Pretoria were vandalised on a number of occasions between 2015 and 2022 and there were recent calls for Smuts's statues to be removed Behind Botha's charming attractive facade and Smuts's stoic machine were two very human imperfect and quite probably inconsiderate men Together they provide a wonderful lens through which to examine the potent forces of the early twentieth century world and the country they hoped to forge Myopic compatriots had constrained their plans but it was the outbreak of war in 1914 that offered the most significant opportunities and brought the most adverse challenges They fought insurmountable odds and achieved great victories at home and abroad but also made startling errors and ultimately in classical fashion risked being crushed by the weight of the world they tried to create

**Researching the Military** Helena Carreiras, Celso Castro, Sabina Frederic, 2016-03-02 Researching the Military focuses on the experiences of researchers who study the military around the world It explores the historical social institutional and personal factors that frame research and scrutinize the way knowledge in this area impacts society and policy More than merely analyzing research experiences yet necessarily including them it is also about the experiences of researchers their position with regard to the object of their studies the institutional context where they work and the way their research impacts the academic and policy making fields in the respective countries The common theme to the various chapters is reflexivity a conscious effort at addressing the conditions of research and the position of the researcher and the research participants in that interface By collecting diverse experiences of researchers from across the world this volume aims to enhance reflexivity in the field of military studies and to encourage the exchange of knowledge between the academic field and the military arena This book will be of much interest to students of military studies research methods sociology social anthropology and security studies in general

*Military Assistance on Request and the Use of Force* Erika De Wet, 2020 This book examines the extent which the proliferation of military assistance on request is changing the rules governing the use of force The author explores the authority to make these requests particularly during civil wars where some territorial control may be lost and there is a risk of systematic violations of international humanitarian law

**Foreign Policy Posture in Post-Apartheid South Africa** Bhekithemba R. Mngomezulu,2019-11-11 Foreign policy and domestic policy feed into each other To a large degree the latter informs the former This book demonstrates the relationship between the two paying particularly close attention to how South Africa envisioned its foreign policy during the negotiation process Importantly it spells out how South Africa s foreign policy has evolved since the early 1990s The critics of South Africa s foreign policy often question the motives behind the country s involvement in African and global affairs The contributions here demonstrate the complex nature of foreign policy making approaching the subject both from a broad theoretical perspective and specifically through empirical case studies The book will appeal to political scientists historians policy practitioners international relations specialists and government officials and their advisors as well as international relations theorists The Southern African Development Community in Zimbabwe Rich Mashimbye,2024-02-13 This book narrates the unravelling of Zimbabwe a country that was once considered an inspiration on the continent of Africa in terms of socioeconomic development Recognising that many factors contributed to the collapse of the nation and that this collapse was a process that occurred over a long period it looks at historical events and processes like the colonisation of the country and dispossession of the indigenous people and the misrule politically motivated violence and economic mismanagement that followed under Robert Mugabe as the pivotal moments that precipitated the subsequent fall of Zimbabwe The book also examines the role that the regional intergovernmental organisation the Southern African Development Community SADC played in trying to help Zimbabwe overcome its security political and economic challenges **Global Migrations** McCarthy Angela McCarthy,2016-05-31 From the seventeenth century to the current day more than 2.5 million Scots have sought new lives elsewhere This book of essays from established and emerging scholars examines the impact since 1600 of out migration from Scotland on the homeland the migrants and the destinations in which they settled and their descendants and affinity Scots It does so through a focus on the under researched themes of slavery cross cultural encounters economics war tourism and the modern diaspora since 1945 It spans diverse destinations including Europe the USA Canada New Zealand Australia South Africa Ceylon now Sri Lanka Hong Kong Guyana and the British World more broadly A key objective is to consider whether the Scottish factor mattered *Civil Wars in Africa* Kelechi A. Kalu,George Klay Kieh Jr.,2022-05-05 Civil Wars in Africa edited by Kelechi A. Kalu and George Klay Kieh Jr examines civil conflicts throughout various African countries They argue that civil wars in Africa are by products of the contradictions and crises engendered by the post colonial state building and nation building projects in Africa With few exceptions the post colonial states in Africa have failed to build societies that invest in the material well being of their citizens protect their political civil and other rights promote accountability

transparency the rule of law judicial independence and the holding of free and fair elections and promote ethnic pluralism tolerance mutual respect and peaceful co existence among others In addition the contributors show that the post colonial states in Africa have been ruled by corrupt and autocratic leaders who are obsessed with the maintenance of state power as the pathway to ensuring the private accumulation of wealth through sundry illegal means including bribery extortion and theft of public funds In sum this volume addresses how the failure of the post colonial African state to shepherd the process of building democratic societies based on the centrality of human security has led to the erosion of the legitimacy of the state and its custodians Thus once the contradictions and crises reached their crescendo these post colonial societies than implode into civil wars even at the micro level
