Creating a Sustainable Vision of Nonviolence in Schools and Society Singh, Swaranjit, Erbe, Nancy D., 2017-01-10 A nonviolent environment provides many benefits to its population. Although all industries can reap the rewards of nonviolence, its positive impacts can particularly be examined in applied disciplines like conflict resolution, child development, criminal justice, and social work. *Creating a Sustainable Vision of Nonviolence in Schools and Society* is a unique reference source that discusses the value that nonviolent spaces can add to educational institutions and societies. Featuring extensive coverage on relevant topics including conflict skills, intersectional dialogue, mentoring, co-existence, and police brutality, this is an outstanding resource of academic material for educators, academicians, graduate students, and researchers seeking to expand their knowledge on nonviolent methods and techniques for educational environments. **SADC Gender Protocol 2017**

Barometer Morna, Colleen Lowe, Makamure, Lucia, 2017-10-04 The SADC Protocol on Gender and Development is the only sub-regional instrument in the world that brings together global and continental commitments to gender equality in one instrument used to enhance accountability. The Southern African Gender Protocol Alliance is a network of country and regional NGOs that campaigned for the Protocol, its updating, implementation, and tracking. Originally aligned to the Millennium Development Goals that expired in 2015, SADC Gender Ministers updated the Protocol and aligned it to the Sustainable Development Goals (SDGs), Beijing Plus Twenty, and the Africa Agenda 2063 in 2016. In July 2017, the Ministers adopted a Monitoring, Evaluation, and Reporting Framework (MERF) that will be the basis of future reporting. Now in its ninth edition, the 2017 Barometer is the first assessment of the Post 2015 SADC Gender Protocol. Moving with the times, the Alliance has expanded the two key main yardsticks in the Barometer: the SADC Gender and Development Index (SGDI) and the Citizen Score Card (CSC). The Barometer incorporates many MERF and SDG indicators, as well as its own unique measures of voice, choice, and control. The Barometer also introduces the Gender Responsive Assessment of Constitutions and Laws, conducted by Alliance experts and networks around the region. A wealth of data, insights, and analysis awaits all readers of the Barometer that will also be made available online and in multi-media formats. The SADC we want is one in which citizens engage, step it up for gender equality, and make sure we achieve Planet 50:50 by 2030. **SADC Gender Protocol 2015**

Barometer Morna, Colleen Lowe, Dube, Sifiso, 2016-02-22 In August 2008, Heads of State of the Southern African Development Community adopted the ground-breaking SADC Protocol on Gender and Development. This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance. The SADC Gender Protocol is the only sub-regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time-bound targets. Aligned to Millennium Development Goal Three, the original 28 targets of the Protocol expire in 2015. Now that 2015 is here, we need to step back, assess, and reposition. In June 2014, SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals (SDGs). In May

this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 SADC GENDER PROTOCOL BAROMETER 2015 2015 is here In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 **Policing Practices and Vulnerable People** Nicole L.
