Southern Baptist Deacon Study Guide:

Deacon Training Kate Ward-Turner, 2008-05 Indifference toward deacon development places the church in a precarious state. By and large, congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office. When pastor and congregation disregard the need to have trained deacons, the office is allowed to recede into one of mere honor rather than service established in Christ. On the other hand, trained deacons or those in training discover exciting opportunities with which the office of deacons is filled. They come to perceive the office as one of service rather than honor. The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor. Unquestionable, God is looking for a special breed of deacons: a New Testament breed who are Spirit-filled and qualified. To say that deacons are qualified is to say also that they are trained for the work of deacons.

SCM Studyguide: Biblical Hermeneutics David Holgate, Rachel Starr, 2019-09-30 The SCM Studyguide Biblical Hermeneutics offers entry-level undergraduates a framework for interpreting the Bible. The book goes beyond offering guidance on how to do exegesis and is intended as a practical tool to help readers develop good interpretative strategies for themselves. As such, it features pedagogical tools such as Try It Out boxes to assist students to develop a tested and thought-through overall interpretative strategy of their own. This fully updated 2nd edition takes into account the changing church and world context and the new challenges this context brings as students seek to read the Bible with attentiveness, integrity, and faithfulness. Table of contents: Acknowledgements, Introduction, 1 Where Do We Want to Go, 2 Past Experience and Present Expectations, 3 Tools for Exegesis, 4 Our Reality, 5 Committed Readings, 6 Enabling Dialogue with the Text, 7 Our Goal: Life-Affirming Interpretations, Summary of the Interpretative Process, References and Further Reading, Index of Biblical References, Index of Names, Index of Subjects.

SCM Studyguide Church History Stephen Spencer, 2013-08-30 An introduction to the study of the ways the church has evolved in its corporate life since its birth in the first century. Special attention is given to studying its changing relationship and interaction with the surrounding societies in which it has existed. The intended readership will be those training for ministry in English-speaking churches, so the studyguide will concentrate on those aspects of this subject of most relevance to this group. This means there will be greater attention to developments in the West than in the East, especially in later centuries and to topics such as the nature of ministry, the sacraments, places of worship, authority in the church, and mission. These will be examined at each period of church history in each chapter to provide reference points of comparison throughout the book. Each chapter will also contain a specific case study presenting extracts of some key documents with notes, commentary, and questions for discussion to allow readers to develop skills in historical research. General discussion questions and reading lists will be provided at the end of each chapter. The final chapter will provide guidance for the study of the history of the student's own church and community.

Anglicanism Stephen Spencer,2021-03-08 The SCM Studyguide to Anglicanism offers a comprehensive introduction to the many different facets of Anglicanism Aimed at students preparing for ministry it presumes no prior knowledge of the subject and offers helpful overviews of Anglican history liturgy theology Canon Law mission and global Anglicanism As well as offering updated and improved lists of further reading this second edition brings a greater emphasis on worldwide expressions of Anglicanism with more examples taken from Asian and African contexts and a brand new section which considers the rise of the global communion alongside issues of inculturation and indigenisation The Seven Lonnie Davis Wesley, III,2020-11-11 Do you know what it means to be a deacon Is this office in the church still relevant today Dr Lonnie Davis Wesley believes that deacons have an important role to play but that church traditions and failures in leadership and education have often made deacons ineffective or given them tasks to which they are not called and for which they are not equipped He goes back to the first deacons chosen and set apart in Acts 6 for a model for the ministry of deacons in the modern church In doing so he finds that we need to re learn and re apply the lessons of scripture and history so that the church can be fully effective in ministry The Seven Taking a Closer Look at What It Means to Be a Deacon is a comprehensive guide to reforming and recharging your church s deacon ministry It includes guides to help you develop an education program to prepare deacons for ministry and to aid your congregation in supporting that ministry This book may be read by individuals but it will find its greatest use as a tool for building a strong deacon ministry in any congregation **Catalog of**

Science Carl Unger,1998-10-20 This slim but challenging volume of three essays supports and extends the basis of Steiner's philosophical and anthroposophical thinking. Students seeking a secure foundation in the supersensible realities of which Steiner speaks will find here a continuing source of inspiration. Unger was asked by Steiner to work further with the spiritual scientific theory of knowledge. This volume is the essence of what he did in this field. **The Doctrines and Discipline of the Methodist Episcopal Church, South ...** Methodist Episcopal Church, South,1894 *Subject Guide to Books in Print*,1997 **Women Deacons and Deaconesses** Charles W. Deweese,2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life. Most Baptist individuals and churches have strongly opposed women deacons. Some Baptist associations have even disfellowshipped churches that have approved women deacons. And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons. However, thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions. The book presents arguments on both sides of the topic but lands squarely in support of women deacons. The Collected Writings of James Leo Garrett Jr., 1950-2015: Volume Three James Leo Garrett Jr.,2019-08-29 James Leo Garrett Jr. has been called the last of the gentlemen theologians and the dean of Southern Baptist theologians. In *The Collected Writings of James Leo Garrett Jr. 1950-2015* the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship, the even-handed treatment, the biblical fidelity, the wide historical breadth, and the honest sincerity that have made the work and person of James Leo Garrett Jr. so esteemed and revered among so many. Volume 3 contains his works on ecclesiology and provides much needed light in a day of great confusion on many issues related to the nature, purpose, and mission of the church. Spanning sixty-five years and touching on topics from Baptist history, theology, ecclesiology, church history, and biography, religious liberty, Roman Catholicism, and the Christian life, *The Collected Writings of James Leo Garrett Jr. 1950-2015* will inform and inspire readers regardless of their religious or denominational affiliations. **Chasing Intimacy** Al Novak,2022-03-25 On March 5, 1985, Al Novak's life changed forever, and not just because his wife was a week away from giving birth to their youngest daughter. That was the day he became chaplain at the Genesee County Jail in Michigan and began leading inmates from crime to Christ. Over the next thirty-three years, he helped those bound by sin and by the laws of man to find their way to the Lord. The pivot came after some tough years living in Gladwin where the author learned not to rely on the mediocre employment he'd occasionally find or the welfare system, but God himself. In this memoir, the author explores how he found his way to Christ even when his fellow police officers seemed less than pleased with his newfound faith. He also looks back at his growing-up days living in the Co-Op families, pooling their resources to his high school adventures, and then to marriage and a police career. Al shares his God hunt as he learned to be content with his wages and discovered the unlimited power of prayer. He moved from intimacy to legalism to grace to performing for God but found little spiritual satisfaction until He got a great big hug from God. You'll be inspired to overcome challenges and find

your faith renewed as you learn about the author's incredible experiences in *Chasing Intimacy*
