

My pet

My pet Bradley is the most important animal in my life. When I was six years old, my parents bought Bradley from a pet store and costed eleven dollars because it was the littlest pet in the store that the pet store needed to sell. It is incredible that it was so cheap because now Bradley is part of my family that no one can steal. When my friends and I visit Bradley sometimes we are surprised that it was so small, cute, and friendly. My mother always says that our family saved Bradley because it was in a cage for six weeks before we bought it. For this, when Bradley started to live with my family, he did not behave like a pet because he never let us touch or play. Before Bradley was one year old, my friends and I tried to teach him to behave like a pet, but by accident he started to behave like a human.

Now, it is obvious that Bradley is much more than a pet. It is a part of all the events in my family and I consider it as my brother instead of the domestic animal of the family. For example, Bradley likes to celebrate the birthdays in our family because he likes to help us open the gifts when he sees the paper of the gifts. Also
