Evers's biggest passion is his sport or so he thinks. Until an injury and his grandfather's death bring him back to Christmas Bay, the hometown he'd worked so hard to escape and face to face with Summer Smith, the college fiancée he'd left behind. The will decrees he stay in town for a year and run the family business with his cousins. His heart dictates reuniting with Summer, no matter what the cost. But Summer isn't easily swayed, even as Beau's passionate kisses bring back intimate memories. Can she open herself up to trusting him and risk her heart in the process?

A Rancher of His Own Brenda Harlen, 2025-04-01

The new baker in town is missing one key ingredient: the perfect partner. Single dad Andrew Morrow had several reasons for needing a fresh start, but none more important than his two daughters. He's busy transforming the residents' favorite bakery in Haven, Nevada, and his attraction to local rancher Sarah Stafford is a distraction he can't entertain, but the sparks between them are too hot to ignore. Still, he can't afford to lose his heart when he's supposed to be focusing on family. For Sarah, change is long overdue in this sleepy little town, especially the social scene. Then she meets Andrew, and everything inside her goes soft and gooey like the filling in his delectable beignets. His devotion to his daughters only makes him more appealing, and suddenly Sarah finds herself willing to open her long-guarded heart. But will Andrew let her into his life for real?

The Family Beach House Holly Chamberlin, 2015-06-01

Multiple generations gather at a beloved summer house, wondering who will inherit it next in this dramatic and moving novel. Booklist: Some houses have a personality of their own. Larchmere is that kind of place: a splendid sprawling home with breathtaking views that open to briny Atlantic air and seabirds' calls. It's where Tilda McQueen O'Connell grew up and now vacations each year, and where she and her siblings Adam, Hannah, and Craig are commemorating the tenth anniversary of their mother's passing. But instead of the bittersweet but relaxing reunion Tilda expected, she finds chaos. Her father's plan to marry a younger woman has thrown the fate of the beach house into uncertainty. For Tilda, the stakes seem the highest. Alone and vulnerable two years after her husband's death, she sees Larchmere as not just a cherished part of her history but her eventual refuge from the world. Faced with losing that legacy, Tilda must embrace an unknown future. And all the McQueens must reconcile their shared, sometimes painful past and learn how to love one another even when it means forging a life apart. This poignant, evocative novel sweeps you into the picturesque town of Ogunquit, Maine, where a family in flux explores their ties to a beautiful beach house and to each other. Explores questions about the meaning of home, family dynamics, and tolerance.

A Bibliography of Tennessee History, 1973-1996 W. Calvin Dickinson,Eloise R. Hitchcock,1999 With some 6 000 entries A Bibliography of Tennessee

History will prove to be an invaluable resource for anyone students historians librarians genealogists engaged in researching Tennessee's rich and colorful past. A sequel to Sam B. Smith's invaluable 1973 work *Tennessee History: A Bibliography*, this book follows a similar format and includes published books and essays as well as many unpublished theses and dissertations that have become available during the intervening years. The volume begins with sections on Reference, Natural History, and Native Americans. Its divisions then follow the major periods of the state's history: Before Statehood, State Development, Civil War, Late Nineteenth Century, Early Twentieth Century, and Late Twentieth Century. Sections on Literature and County Histories round out the book. Included is a helpful subject index that points the reader to particular persons, places, incidents, or topics. Substantial sections in this index highlight women's history and African American history, two areas in which scholarship has proliferated during the past two decades. The history of entertainment in Tennessee is also well represented in this volume, including, for example, hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers. The Literature section meanwhile includes citations for fiction and poetry relating to Tennessee history as well as for critical works about Tennessee writers. Throughout, the editors have strived to achieve a balance between comprehensive coverage and the need to be selective. The result is a volume that will benefit researchers for years to come. The Editors: W. Calvin Dickinson is professor of history at Tennessee Technological University; Eloise R. Hitchcock is head reference librarian at the University of the South.

No Time for Tears Lenore McKelvey Puhek, 2013-09-19 The brave women who risked it all, endured untold hardships, and struggled to the very end of their lives are the unsung heroines of the settling of the west. This book records the stories of five such women. Letters, diaries, photographs, souvenir programs carefully preserved over the years, provides research as the author reaches into a family heirloom trunk to bring you the sequel to *Forever Friends*. Dr. Amelia Martin gives birth to her son while living in the shelter of a minor's shack. Homesteaders lay claim to the land and the water. Women become overnight widows as violence erupts over mining claims. A town rises up as if by magic among the prickly pear, cactus, sage brush, and wild animals. Businessmen, miners, teachers, cowboy ministers, soiled doves, and families all share a common bond: survival of the fittest. Five years pass quickly. Amelia, wanting the best education for her son, returns to Virginia. Soon those years of separation stretch to twenty-five years. A reunion enlightens the families of how that time was spent. Contrasts between lifestyles are illuminated. Joseph meets cousins, works as a field hand, learns to milk a cow, and discovers the daily routine of hard work for homesteaders and ranchers. Will Joseph want to return to his Virginia life, or will he decide to return to his birthplace?
