devotion before her untimely death from tuberculosis Until now only a few of the couple's intimate letters have been published During the years he spent editing and publishing Emory Upton's correspondence Salvatore G Cilella Jr deliberately set aside the general's voluminous letters to his wife Unfortunately as Cilella explains in his editorial notes Emily's letters to Emory did not survive but he was able to draw on the rich trove of letters Emily wrote to her mother and father while on her honeymoon and during her stays in Key West Nassau and Atlanta Together both sets of letters form a poignant narrative of the general's tender love for his new wife and her reciprocal affection as they attempted to create a normal life together despite her declining health The life of an army wife could be grueling and despite her declining health Emily longed to perform the role expected of her It was not meant to be Unwittingly she and Emory chose the worst places for her to recover Key West and Nassau where the high humidity and heat must have exacerbated her difficulty breathing She died in Nassau far away from her husband Eleven years later racked by a sinus tumor and likely still grieving from his lost love Upton committed suicide at the age of forty one
