**Workbook and Teacher's Guide for High School Journalism** Homer L. Hall, 2008-12-15 This eBook walks students from the history of American journalism through sports writing editorial writing yearbook and newspaper design to photography and careers in journalism A full bodied context to prepare students for journalism now and after highschool Manuals

Combined: U.S. Navy Journalist Basic, Journalist Advanced And Journalist 3 & 2 Training Publications , Over 1 300 total pages To the young man or woman choosing a Navy career field whether for one enlistment or for 30 years the journalist rating offers endless avenues for an imaginative yet mature thinker Many of the duties and responsibilities of the journalist rank among Americans favorite hobbies and pastimes such as writing broadcasting and photography The Navy journalist learns and practices a distinguished profession and becomes an official representative of the Navy in public affairs matters The first enlisted specialists to work full time in the field of Navy journalism were Naval Reserve personnel selected during the early years of World War II They were designated Specialist X Naval Correspondents In 1948 under a major overhaul affecting almost every enlisted rating the journalist JO rating was established **MAJOR TASKS AND RESPONSIBILITIES**  
**LEARNING OBJECTIVE** Identify the major tasks and responsibilities of the Navy journalist the personal traits required for

one to best perform the duties of the rating the applicable NECs and the purpose of the JO 3 2 training manual TRAMAN In our democratic society government depends on the consent of the governed This important principle means that in the long run the United States government does only what the people want it to do Therefore we can have a Navy only if the people know and understand the importance of the Navy and support it The Navy like the other services depends on this country's citizens for the four key tools of its trade personnel money materials and the authority to carry out its mission As a Navy journalist your main function will be to make the facts about your Navy available to the Navy's three main publics the people at your ship or station Navy people in general and the people of the United States as a whole *High School Journalism* Homer L. Hall, Logan H. Aimone, 2008-08-15 Includes a brief history of American journalism and discusses the duties of a journalist styles of writing the parts of a newspaper newspaper and yearbook design photography and careers in journalism

**The Copy Editing And Headline Handbook** Barbara Ellis, 2009-08-05 Everyone in the newsroom agrees that copy editors are the unsung heroes in the business who until now have never had a succinct and authoritative guide for on the job use From counting the headline to line breaks from decks to jumps from editing numbers and photo captions to editing for organization *The Copy Editing and Headline Handbook* is the complete source of essential information for the copy editor Whether copy editing on a computer or on the printed page for a newspaper or for a magazine Barbara Ellis shows how to clean organize and proof copy like a pro With special sections on libel captions forbidden words job hazards and head counts as well as a section of the most commonly used symbols in copy editing and proofreading the Handbook is essential for every copy editor's bookshelf *The Art of Editing in the Age of Convergence* Brian S. Brooks, James L. Pinson, 2017-07-28 *The Art of Editing in the Age of Convergence* remains the most comprehensive and widely used text on editing in journalism This latest edition continues to shift the focus toward online multimedia as more and more people get their news that way Amid these changes the authors continue to stress the importance of taking the best techniques learned in print and broadcast editing and applying them to online journalism The reality is that most people now often first learn of breaking news on Facebook or Twitter and therefore the challenge for journalists in this new media world is distinguishing the quality and dependability of their work from all the fake news and propaganda memes now so common online This book is designed to help serious news providers produce a product that is well edited and grounded in the best practices of journalism **Real Feature Writing** Abraham Aamidor, 2014-04-08 *Real Feature Writing* emphasizes story shape and structure by illustrating several distinct types of feature and non fiction stories all drawn from the real world Author Abraham Aamidor presents a collection of distinct non deadline story types profile trend focus advocacy and more providing an introduction to each story type a full text example a critical analysis of the example and clear directions for producing similar stories In this second edition Aamidor and his guest contributors all with real world journalistic experience demonstrate in clear honest language how to write features New for this edition are updated examples of feature writing integrated throughout the text a chapter

on ethical journalism which takes a critical look at propaganda a chapter on international perspectives including coverage of issues in the Middle East chapters on research freelancing content editing copyediting and literary journalism This text is appropriate for upper level journalism students and will be a valuable resource for freelance writers and young working journalists needing guidance on writing features      Editing Across Media Ross F. Collins, 2013-02-18 Requirements for professional media editing have undergone enormous technological change Editors still edit copy But today they do much more Mass media editors must demonstrate skills from computerized pagination to social media monitoring from image manipulation to Search Engine Optimization The need for editing skills is reaching far beyond traditional journalism and into all areas of mass media from newspapers to strategic communication Public relations practitioners are expected to edit Even advertising creative professionals must edit And journalists taking on new roles as social media editors need to understand editing at the speed of digital media This textbook aims to prepare university level students for these expanded editing roles in an age of convergence Thirteen authors representing many years of collective media experience examine both traditional editing roles and new editing needs While many mass media students will not become professional editors this textbook assumes nearly all will need competent editing knowledge to produce products of professional quality Editing the authors believe remains a bedrock skill for all students who hope to be successful in the mass media Instructors considering this book for use in a course may request an examination copy here      **Design** ,2002      **Encyclopedia of Journalism** Christopher H.
