**Tim Dorsey Collection #2** Tim Dorsey, 2014-11-11 Five acid splashed Florida capers in one great package Prepare for the road trip of a lifetime with everyone's favorite serial killer Serge A Storms in the New York Times bestselling series from the compulsively irreverent and shockingly funny Boston Globe Tim Dorsey In CADILLAC BEACH Serge A Storms the one man crime spree hits no speed bumps as he swings through Tampa Disney World and parts south before settling down in Miami Beach to team up with a former sidekick and launch his long overdue offbeat travel service Our overachieving antihero has a full to do list and he multitasks during the tourist juggernaut to battle the Palermo crime family mystery assassins local police the FBI the CIA Fidel Castro and telemarketers Serge and his customers have become the hunted hopscotching through a series of famous hotel rooms But Serge tells them not to worry He has a master plan which is about to unfold in all of its insane glory on Cadillac Beach In TORPEDO JUICE this time our lovable but maniacal hero is on a mission Stay off police radar and reinvent himself Naturally Serge makes a beeline to the Reinvention Capital of the United States the Florida Keys where nobody is who they seem to be and the freaks are the least of your worries The perfect place for Serge to blend in Unfortunately some other less likable lunatics have latched on to the same idea and the sheriff's fax machine keeps jamming because of all the APBs coming in like a storm front about to break Lurking beneath paradise are many questions Who is the mystery driver of the metallic green Trans Am The brown Plymouth Duster with Ohio plates What about the white Mercedes with tinted windows In THE BIG BAMBOO Serge finds time to resurrect his obsession with movies particularly those showcasing his beloved home state And he wants answers Why aren't more films shot here How come the ones that are stink so bad And what's up with filming Florida scenes in California Then there's the cryptic message from his grandfather Sergio telling him to go to Los Angeles to uncover a mysterious secret from the distant past It's too much of a coincidence It's fate Naturally Serge accompanied by his substance sustained sidekick Coleman must immediately hop a transcontinental flight to straighten out Hollywood once and for all In HURRICANE PUNCH our lovable undermedicated dispenser of truth justice and trivia is back with a vengeance just as his cherished home state is about to take a beating from a conga line of hurricanes bearing down on the peninsula But as Serge and his burnout buddy Coleman go storm chasing bodies begin turning up at a disturbing rate even by Florida standards It looks like a serial killer is on the loose another serial killer which highly offends Serge's moral sensibilities And he vows he'll stop at nothing to unmask his thrill killing rival and make All Things Right though Coleman's triathlete approach to the sport of polyabuse binging threatens to derail the mission more completely than the entire combined Sunshine State police community could ever hope to In ATOMIC LOBSTER Serge is back with a bullet torn between homicide and souvenirs So is Coleman torn between getting hammered and getting more hammered Then there's good ol' Jim Davenport the E Team the Diaz Brothers and Johnny Vegas the Accidental Virgin cranking up the fevered action as the pot boils over on a street called Lobster Lane It's reunion

time in the Sunshine State and we're not just talking the family jamboree of that blood-soaked criminal clan the McGraws whose nastiest meanest member is finally released from prison and heads south bent on revenge. On top of it all the government is covering up a growing list of mysterious victims across Florida who may or may not be connected to a nefarious plot being hatched against national security.

**Homegrown in Florida** William McKeen, 2012-09-23 Florida can seem like a child's dream of paradise: endless sunny days, trips to the beach to swim and build sandcastles, bike riding without a jacket in the middle of January, and magical theme parks only a short drive away. But what was life really like for those who grew up here? During a recent reunion, writers Bill McKeen, Tim Dorsey, and Jeff Klinkenberg found themselves lamenting that so many of their childhood memories were fading away. For them and for many, Florida is not just a place people go to; it's where they come from. That can mean many things to many people, as the stellar cast of writers, journalists, and musicians eloquently reveal in *Homegrown in Florida*. This utterly satisfying and powerful anthology aims at the heart of the glories of childhood and the pain of growing up. Both a celebration of the exotic, untamed wilderness of a youth filled with moss-draped oaks and citrus fields, evergreen winters, and palmetto fronds, and a reminder that innocence often gave way to experience as bike paths became private developments and swimming holes were paved over by interstates, *Homegrown in Florida* is filled with tears and laughter alike. Featuring contributions from Carl Hiaasen, Tom Petty, Zora Neale Hurston, Michael Connelly, and many more, this is a book for every child of old Florida and every child at heart.

**On the Whispering Wind** Dan Allison, 2002 A fast-paced thriller set on Florida's Gulf Beaches. *On the Whispering Wind* combines sharply drawn characters, insightful narrative, and a plot with more twists and turns than a two-lane coastal highway. In *All the Little Birdies*, readers met taxi driver Jake Murdock. Murdock's taken a few wild rides with his sometimes bizarre passengers on Florida's steamy Gulf beaches. When Murdock's former girlfriend, cab driver Cassidy Andrews, finds a corpse in a Treasure Island condominium and the dead man is the son of a famous televangelist, Murdock finds he's in for another wild and possibly fatal ride. *On the Whispering Wind* blends the madcap zaniness of Tim Dorsey and Carl Hiaasen with the lyrical poignancy of James W. Hall and Randy Wayne White. *On the Whispering Wind* is evocative Florida noir.

**Network of Bones** Sean Morey, 2019-04-02 Both a far removed place of refuge for the fringe of society and a high status vacation destination, the Keys remain a legendary yet fragile place, still threatened by a human-made disaster: the 2010 Deepwater Horizon oil spill. Likewise, Key West, Florida, can be many things to many people: evoking laidback Margaritaville for some and Ernest Hemingway for others. In this mixture of memoir, travel writing, philosophical reflection, natural and cultural history,

and meditation on language Sean Morey wrestles with the varied and often contradictory nature of his hometown Morey turns a sharp eye inward teasing out the layers of natural and cultural developments that have shaped the Keys for both millions of years and the past few decades He asks What does it take for humans to accept our impact on Earth and more importantly what will move humans to take action to reverse adverse impacts The answer Morey posits lies in imaginative thinking in building connections between locations and individual interests and backgrounds to create a foundation for widespread ecological ethics In *Network of Bones* Morey guides readers through different images of Key West and connects them to global environmental issues including overfishing rising sea levels and polluted oceans Morey s writing stimulates memory and invites engagement with the world as he shows us how learning about one place no matter how specific and eccentric that place might be can teach us about all other places It s just a matter of imagination The author s proceeds from the sale of this book will benefit Coastal Conservation Association Florida
