Edward John Moreton Drax Plunkett Baron Dunsany, 2019-11-22 Lord Dunsany is one of the most remarkable authors to have ever lived If not in the way he wrote his prose then in the way he lived his life as an adventure And from this sense of adventure he developed a most remarkable perspective on the universe and fantasy From this perspective he wrote a new mythology full of childish wonder simplicity and also beauty There is an aesthetic of delight to be found in Time and the Gods and it is this aesthetic which is so very appealing to read Time and the Gods Lord Lord Dunsany, 2017-07-26

Once when the gods were young and only their swarthy servant Time was without age the gods lay sleeping by a broad river upon earth There in a valley that from all the earth the gods had set apart for Their repose the gods dreamed marble dreams And with domes and pinnacles the dreams arose and stood up proudly between the river and the sky all shimmering white to the morning In the city s midst the gleaming marble of a thousand steps climbed to the citadel where arose four pinnacles beckoning to heaven and midmost between the pinnacles there stood the dome vast as the gods had dreamed it All around terrace by terrace there went marble lawns well guarded by onyx lions and carved with effigies of all the gods striding amid the symbols of the worlds With a sound like tinkling bells far off in a land of shepherds hidden by some hill the waters of many fountains turned again home Then the gods awoke and there stood Sardathrion Not to common men have the gods given to walk Sardathrion s streets and not to common eyes to see her fountains Only to those to whom in lonely passes in the night the gods have spoken leaning through the stars to those that have heard the voices of the gods above the morning or seen Their faces bending above the sea only to those hath it been given to see Sardathrion to stand where her pinnacles gathered together in the night fresh from the dreams of gods For round the valley a great desert lies through which no common traveller may come but those whom the gods have chosen feel suddenly a great longing at heart and crossing the mountains that divide the desert from the world set out across it driven by the gods till hidden in the desert s midst they find the valley at last and look with eyes upon Sardathrion **Time and the Gods** Lord Dunsany, Edward Plunkett, 1906-09-27
