

Why It Is Better to Be Moral than Immoral

There are many criminals that roam the earth for the benefit of themselves. There are also many hedonists that believe that everything done for the greatest pleasure is ultimately the purpose of life. However, I want to make the case today for morality over immortality. For this essay, I will consider morality according to Oxford Dictionaries: "Principles concerning the distinction between right and wrong or good and bad behaviour." Though morality is a rather subjective subject, there are some principles that are universal across all cultures found by an Oxford University study: "help your family, help your group, return favours, be brave, defer to superiors, divide resources fairly, and respect others' property" ("Seven Moral Rules Found All around the World"). The fact that these morals are found across 60 cultures from around the world demonstrates that morality, though subjective, is the cornerstone of keeping our societies together. Here are some reasons to be moral: without morality, a social life is almost impossible to maintain; having a good reputation and having a clear conscience is psychologically healthy; and most philosophies regard altruistic and principled behavior as important.

Time For Kids Persuasive Essay

Rebecca J. Rozmiarek

Time For Kids Persuasive Essay:

Persuasive Writing, Grades 3-5 (Meeting Writing Standards Series) Rebecca J. Rozmiarek, 2000-05 Activities in this book have been divided into three categories letters editorials and reviews Incorporated throughout the book are standards for assessment
