Time Of Our Singing The Richard Powers:

The Time of Our Singing Richard Powers, 2004 On Easter day 1939 a German Jewish emigre scientist meets a young Philadelphia Negro studying to be a singer Their mutual love of music draws them together and against all odds and better judgment they marry They vow to raise their children beyond time beyond identity steeped only in song **The Time of Our Singing** Richard Powers, 2004-01-01 The last novel where I rooted for every character and the last to make me cry Marlon James Elle From the Pulitzer Prize winning author of *The Overstory* and the Oprah's Book Club selection *Bewilderment* comes Richard Powers's magnificent multifaceted novel about a supremely gifted and divided family set against the backdrop of postwar America On Easter day 1939 at Marian Anderson's epochal concert on the Washington Mall David Strom a German Jewish migr scientist meets Delia Daley a young Black Philadelphian studying to be a singer Their mutual love of music draws them together and against all odds and their better judgment they marry They vow to raise their children beyond time beyond identity steeped only in song Jonah Joseph and Ruth grow up however during the civil rights era coming of age in the violent 1960s and living out adulthood in the racially retrenched late century Jonah the eldest whose voice could make heads of state repent follows a life in his parents beloved classical music Ruth the youngest devotes herself to community activism and repudiates the white culture her brother represents Joseph the middle child and the narrator of this generation bridging tale struggles to find himself and remain connected to them both Richard Powers's *The Time of Our Singing* is a story of self invention allegiance race cultural ownership the compromised power of music and the tangled loops of time that rewrite all belonging Richard Powers "The time of our singing" Hubert Zapf, 2010 **The Time of Our Singing Proof** Richard Powers, 2002-10-03 **Subject of the Event** Sebastian Huber, 2016-05-05 What does falling in love have in common with the fall of the Berlin Wall Or the fall of the Twin Towers In the light of postmodernism's programmatic critique of a humanist notion of the subject and an emphatic understanding of events *Subject of the Event* shows that selected American novels after 2000 offer an alternative to the death of the subject As the first book to comprehensively engage with Alain Badiou's writings outside of a philosophical context *Subject of the Event* analyzes five critically acclaimed novels of the new millennium Cormac McCarthy's *The Road* 2006 Jess Walter's *The Zero* 2006 Mark Z Danielewski's *Only Revolutions* 2006 Paul Beatty's *Slumberland* 2008 and Thomas Pynchon's *Against the Day* 2006 and argues that they create different subjects of the event that are empowered with reagency The subject of the event and its empowerment what this book calls reagency implies that subjects only evolve out of their confrontation with the revolutionary impetus that events propel Unlike a humanist capability of having agency reagency is defined as a repetitive subjective praxis that is contingent upon events which is given a concrete literary form in the novels under investigation Sebastian Huber explores how the American penchant for events new beginnings clean slates apocalypse is being critically dealt with in the novels at hand while still offering an emphatic idea of singular disruptions that open up ways for subjects to affirm and become empowered

The Great American Songbooks T. Austin Graham, 2013-01-31 In the late nineteenth and early twentieth centuries American authors pioneered a mode of musical writing that quite literally resounded beyond the printed page Novels gained soundtracks poetry compelled its audiences to sing and the ostensibly silent act of reading became anything but The Great American Songbooks is the story of this literature at once an overview of musical and authorial practice at the century's turn an investigation into the sensory dimensions of reading and a meditation on the effects that the popular arts have had on literary modernism The writings of John Dos Passos Theodore Dreiser T S Eliot F Scott Fitzgerald Langston Hughes Jean Toomer and Walt Whitman are heard in a new key the performers and tunesmiths who inspired them have their stories told and the music of the past long out of print and fashion is recapitulated and made available in digital form A work of criticism situated at the crossroads of literary analysis musicology and cultural history The Great American Songbooks demonstrates the importance of studying fiction and poetry from interdisciplinary perspectives and it suggests new avenues for research in the dawning age of the digital humanities

Orfeo Richard Powers, 2014-01-13 From the Pulitzer Prize winning author of *The Overstory* an emotionally charged novel inspired by the myth of Orpheus Bravo Richard Powers for hitting so many high notes with *Orfeo* and contributing to the fraction of books that really matter Heller McAlpin NPR In *Orfeo* composer Peter Els opens the door one evening to find the police on his doorstep His home microbiology lab the latest experiment in his lifelong attempt to find music in surprising patterns has aroused the suspicions of Homeland Security Panicked by the raid Els turns fugitive and hatches a plan to transform this disastrous collision with the security state into an unforgettable work of art that will reawaken its audience to the sounds all around it

Narrated Communities - Narrated Realities, 2015-05-19 Culture studies try to understand how people assume identities and how they perceive reality In this perspective narration as a basic form of cognitive processing is a fundamental cultural technique Narrations provide the coherence temporal organization and semantic integration that are essential for the development and communication of identity knowledge and orientation in a socio cultural context In essence Anderson's *Imagined Communities* need to be thought of as *Narrated Communities* from the beginning Narration is made up by what people think and vice versa narration makes up people's thoughts What is considered fictitious or real no longer separates narratives from an outside they refer to but rather represents different narratives Narration not only constructs notions of what was real in retrospect but also prospectively creates possible worlds even in the supposedly hard sciences as in e.g. the imaginative simulation of physical processes The book's unique interdisciplinary approach shows how the implications of this fundamental insight go far beyond the sphere of literature and carry weight for both scholarly and scientific disciplines

looks at a particular subset of imagined computer use focusing on scenarios that demand from the person at the keyboard an intimate technical knowledge My research has uncovered a peculiar pattern race comes into sharp relief when computer use is depicted as difficult labor requiring special expertise Time and again in such scenarios the helpful person of color is there to take the call to provide technical support to deal with the machines In interpreting such images Color Monitors analyzes the computer fearing strain in American whiteness an aspect of white identity that defines itself against information technology and the racial other imagined to love it and excel at it Martin Kevorkian Following up on Ralph Ellison s intimation that blacks serve as the machines inside the machine Color Monitors examines the designation of black bodies as natural machines for the information age Martin Kevorkian shows how African Americans are consistently depicted as highly skilled intelligent and technologically savvy as they work to solve complex computer problems in popular movies corporate advertising and contemporary fiction But is this progress Or do such seemingly positive depictions have more disturbing implications Kevorkian provocatively asserts that whites historical fear of a black planet has in the age of microprocessing converged with a new fear of computers and the possibility that digital imperatives will engulf human creativity Analyzing escapist fantasies from Mission Impossible to Minority Report Kevorkian argues that the placement of a black man in front of a computer screen doubly reassures audiences he is nonthreatening safely occupied even imprisoned by the very machine he attempts to control an occupation that simultaneously frees the action heroes from any electronic headaches The study concludes with some alternatives to this scheme looking to a network of recent authors with shared affinities for Ellison and Pynchon willing to think inside the black box of technology Connecting race technology and American empire Color Monitors will attract attention from scholars working in emerging areas of race theory African American studies film studies cultural studies and technology and communication studies

Water and Sanitation David Satterthwaite, 2003 *Handbook of the American Novel of the Twentieth and Twenty-First Centuries* Timo Müller, 2017-01-11 Increasing specialization within the discipline of English and American Studies has shifted the focus of scholarly discussion toward theoretical reflection and cultural contexts These developments have benefitted the discipline in more ways than one but they have also resulted in a certain neglect of close reading As a result students and researchers interested in such material are forced to turn to scholarship from the 1960s and 1970s much of which relies on dated methodological and ideological presuppositions The handbook aims to fill this gap by providing new readings of texts that figure prominently in the literature classroom and in scholarly debate from James s The Ambassadors to McCarthy s The Road These readings do not revert naively to a time before theory Instead they distil the insights of literary and cultural theory into concise introductions to the historical background the themes the formal strategies and the reception of influential literary texts and they do so in a jargon free language accessible to readers on all levels of qualification

Contemporary American Fiction David Brauner, 2010-04-20 This is an accessible lucid and incisive study that will prove indispensable to students and scholars of contemporary

American fiction Featuring a wide range of authors from canonical figures such as Philip Roth Don DeLillo and Annie Proulx to increasingly influential writers such as Jeffrey Eugenides Gish Jen and Richard Powers the book combines detailed readings of key texts with informative discussions of their historical social and cultural contexts There are chapters focusing on formal characteristics the use of irony and paradox in novels by Don DeLillo Paul Auster and Bret Easton Ellis and the generic properties of the texts and films of Cold Mountain Brokeback Mountain and No Country for Old Men and on thematic concerns the representation of gender and sexuality in novels by Jane Smiley Carol Shields and Jeffrey Eugenides and of ethnicity race and hybridity in fiction by Gish Jen Philip Roth and Richard Powers Running through all these chapters is an interrogation of all three elements making up the phrase contemporary American fiction Key Features Identifies some of the main trends in contemporary American fiction and situates them in historical and cultural contexts Discusses a representative range of recent fiction providing a sense of the rich diversity of the field and of its key themes and modes of writing Introduces students to a variety of critical approaches to and debates concerning contemporary American fiction Encourages reflection on the nature of national gender ethnic and generic identities

Obama and Race Richard H King, 2014-01-02 In this collection academics from both sides of the Atlantic analyze the confluence of a politician a process and a problem Barack Obama the 2008 US presidential election and the problem of race in contemporary America The special focus falls upon Barack Obama himself who appears in many guises as an individual from biracial and transnational backgrounds a skilled urban African American organizer and then politician and as intellectual and author of a bestselling autobiographical exploration There is a certain representative quality about Obama that makes him a convenient way into the labyrinth of American race relations national and regional politics including the South and Hawaii and past history particularly from the 1960s to the present Contributors also explore the role Michelle Obama has played in this process both separately from and together with her husband while one theme running through many chapters concerns the myriad ways that the American left right and centre differ on the nature and future of race in a country that daily becomes more mixed in ethnic and racial terms Race is everywhere race is nowhere The essays are grouped by their approach to the topic of Obama and race via historical analysis cultural studies political science and sociology as well as pedagogy The result is an exciting mix of perspectives on one of the most fascinating phenomena of our time This book was originally published as a special issue of the journal Patterns of Prejudice

Musical Stimulacra Ivan Delazari, 2020-12-29 The title coinage of this book *stimulacra* refers to the fundamental capacity of literary narrative to stimulate our minds and senses by simulating things through words Musical *stimulacra* are passages of fiction that readers are empowered to transpose into mental simulations of music The book theorizes how fiction can generate musical experience explains what constitutes that experience and explores the musical dimensions of three American novels William T Vollmann's *Europe Central* 2005 William H Gass's *Middle C* 2013 and Richard Powers's *Orfeo* 2014 *Musical Stimulacra* approaches fiction's music from a readerly perspective Instead of looking at how novels forever fail to compensate for music's physical structural and affective properties the book concentrates on what literary narrative can do musically Negotiating common grounds for cognitive audionarratology and intermediality studies *Musical Stimulacra* builds its case on the assumption that among other things fiction urges us to listen to musical words and worlds

The Ways of the Word Garrett Stewart, 2022-01-15 In *The Ways of the Word* Garrett Stewart steps aside from theory to focus on the sheer pleasure of attentive reading and the excitement of recognizing the play of syllables and words upon which the best literary writing is founded Emerging out of teaching creative writing and a broader effort to convene writers and critics Stewart's episodes in verbal attention track the means to meaning through the byways of literary wording Through close engagement with literary passages and poetic instances whose imaginative demands are their own reward Stewart gathers exhibits from dozens of authors from Dickinson Dickens and DeLillo to Whitman Woolf and Colson Whitehead In the process idiom tense etymology and other elements of expressive language and its phonetic wordplay are estranged and heard anew *The Ways of the Word* fluidly and intuitively reveals a verbal alchemy that is as riveting as it is elusive and mysterious

Reading for My Life John Leonard, 2012-03-15 Right up until his death in 2008 John Leonard was a lion in American letters A passionate erudite and wide ranging critic he helped shape the landscape of modern literature He reviewed the most celebrated writers of his age from Kurt Vonnegut and Joan Didion to Toni Morrison and Thomas Pynchon He championed Morrison's work so ardently that she invited him to travel with her to Stockholm when she accepted her Nobel Prize He also contributed many pieces on television film politics and the media which continue to surprise and impress with their fervor and prescience *Reading for My Life* is a monumental collection of Leonard's most significant writings spanning five decades from his earliest columns for the Harvard Crimson to his final essays for *The New York Review of Books* Here are Leonard's best writings many never before published in book form on the cultural touchstones of a generation each piece a testament to his sharp wit fierce intelligence and lasting love of the arts Definitive reviews of Doris Lessing Vladimir Nabokov Maxine Hong Kingston Tom Wolfe Don DeLillo Milan Kundera and Philip Roth among others display his passion and nearly encyclopedic knowledge of literature in the second half of the twentieth century His essay on Ed Sullivan and the evolution of television remains a classic Throughout Leonard's reviews and essays is a dedicated political

spirit pleading for social justice advocating for the women s movement and forever calling attention to writers whose work challenged and excited him With an introduction by E L Doctorow and remembrances by Leonard s friends family and colleagues including Gloria Steinem and Victor Navasky Reading for My Life stands as a landmark collection from one of America s most beloved and influential critics

Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
