Louis L'Amour, 2004-02-03 It was the only water for miles in a vast sun blasted desert where water meant survival So Logan Cates naturally headed for Papago Wells But he wasn t the only one Fleeing the fierce Churupati and his Apache warriors other travelers had come there too And when the Apaches found them they began a siege as relentless and unforgiving as the barren land and just as inescapable The last thing Cates wanted was to be responsible for the lives of thirteen desperate strangers and a shipment of gold But he knew that if they were to survive he was their last chance He also knew that some in the party were willing to die or kill to get their hands on the money If he couldn t get them to work together it wouldn t be the desert or even the Apaches that would do them in it would be the greed of the very people he was trying to save Heat Lightning William W.
