

Short stories of fantasy & science fiction

The background of the cover features a woman in a white, flowing dress floating upside down in a golden, ethereal space. She is positioned above an open book that lies flat on the surface. The book's pages are slightly curved, and a bright, golden light emanates from its center. Numerous small, glowing golden particles or sparks are scattered around the woman and the book, creating a magical atmosphere. The overall color palette is dominated by warm, golden-brown tones.

Tiptoe Through Time And Space English Edition:

Preserving Dance Across Time and Space Lynn Matluck Brooks, Joellen A. Meglin, 2016-05-06 Dance is the art least susceptible to preservation since its embodied kinaesthetic nature has proven difficult to capture in notation and even in still or moving images. However, frameworks have been established and guidance made available for keeping dances, performances, and choreographers' legacies alive so that the dancers of today and tomorrow can experience and learn from the dances and dancers of the past. In this volume, a range of voices address the issue of dance preservation through memory, artistic choice, interpretation, imagery, and notation, as well as looking at relevant archives, legal structures, documentation, and artefacts. The intertwining of dance preservation and creativity is a core theme discussed throughout this text, pointing to the essential continuity of dance history and dance innovation. The demands of preservation stretch across time, geographies, institutions, and interpersonal connections, and this book focuses on the fascinating web that supports the fragile yet urgent effort to sustain our dancing heritage. The articles in this book were originally published in the journal *Dance Chronicle*.
Studies in Dance and the Related Arts Journeys Through Time & Space Mark Twain, H. G. Wells, Edgar Rice Burroughs, David Lindsay, E. R. Eddison, 2017-07-11 A Nebula Award winner presents tales that shaped modern science fiction and fantasy: five complete novels by Mark Twain, H. G. Wells, and more. In this handpicked collection, New York Times bestselling author Greg Bear travels back to the late nineteenth and early twentieth centuries when novelists let their imaginations soar beyond conventional boundaries of time and space and contributed to the emergence of imaginative new literary genres. In 1889, Mark Twain introduced Americans to time travel in *A Connecticut Yankee in King Arthur's Court*, in which a hard-headed New Englander is sent back through history to the age of chivalry. Six years later, H. G. Wells propelled an intrepid inventor into the far future via *The Time Machine*; there, our fearless hero discovers a nightmarish evolutionary scenario in which technologically advanced but mutated Morlocks dwell underground, preying on the innocent aboveground Eloi. In 1912, long before Ray Bradbury or *Star Wars*, Edgar Rice Burroughs imagined the first wildly popular alternative fantasy alien culture with *A Princess of Mars*, transporting readers from Arizona to the red planet where Confederate soldier John Carter is swept up in another kind of civil war and seduced by a gorgeous red-hued princess. In 1920, Scottish novelist David Lindsay presented *A Voyage to Arcturus*, an interstellar quest for truth as well as an inquiry into the nature of good and evil that inspired generations of fantasy writers to come. And in 1922, E. R. Eddison turned the planet Mercury into a fantasy version of Earth where demons and witches wage war on a Homeric scale in *The Worm Ouroboros*. With an insightful introduction, Bear celebrates the writers who first swept readers away to other times and worlds and blew their minds in ways that altered our literary landscape and collective imagination forever. **Vanishing Vienna** Frances Tanzer, 2024-05-14 In *Vanishing Vienna*, historian Frances Tanzer traces the reconstruction of Viennese culture from the 1938 German annexation through the early 1960s. The book reveals continuity in Vienna's cultural history across this period and a

framework for interpreting Viennese culture that relies on antisemitism philosemitism and a related discourse of Jewish presence and absence This observation demands a new chronology of cultural reconstruction that links the Nazi and postwar years and a new geography that includes the history of refugees from Nazi Vienna Rather than presenting the Nazi exile and postwar periods as discrete chapters of Vienna s history Tanzer argues that they are part of a continuous spectrum of cultural evolution the result of which was the creation of a coherent Austrian identity and culture that emerged by the 1950s As she shows antisemitism and philosemitism were not contradictory forces in post Nazi Austrian culture They were deeply interconnected aspirations in a city where nostalgia for the past dominated cultural reconstruction efforts and supported seemingly contradictory impulses Viennese nostalgia at times concealed the perpetuation of antisemitic fantasies of the city without Jews At the same time the postwar desire to return to a pre Nazi past relied upon notions of Austrian culture that Austrian Jews perfected in exile as well as on the symbolic remigration of a mostly imagined Jewish culture now taxed with redeeming Austria in the aftermath of the Holocaust From this perspective philosemitism is much more than a simple inversion of antisemitism instead Tanzer argues philosemitism problematic as it may be defines Vienna in the era of postwar reconstruction In this way Vanishing Vienna uncovers a rarely discussed phenomenon of the aftermath of the Holocaust a society that consumes redefines and bestows symbolic meaning on the victims in their absence

The Atlas of a Changing Climate Brian Buma,2021-11-09 This design and data driven book explores how climate change effects the ecology of North America through eye catching infographics dynamic maps and color photography

The In-Between SAMIA EZZINE, Ph.D,2025-06-05 Some journeys don t start with a map They begin with a

heartbreak a question or the quiet realization that something has to change Years after leaving the warmth of her homeland for a snowy unfamiliar country Liyana had created a life for herself layered with love family and purpose She had found a love that once felt deep and enduring and built a future around it But when that love begins to fade and the life they shared begins to fracture Liyana is left standing in the silence of everything that no longer fits This is not merely a story of loss it s a story of love flawed yet enduring fragile yet fierce unraveling beneath the quiet erosion of time and silence And it is also a story of what comes after when a woman with quiet courage turns toward the hollow left behind and begins the slow tender work of rebuilding herself from the inside out Through the pain of heartbreak and the gentle work of healing through the tender challenges of motherhood and the quiet moments of solitude she slowly reclaims her voice rediscovers her true rhythm and embraces the courage to become someone new whole hopeful and deeply herself Told with grace raw vulnerability and profound emotional honesty The In Between is a deeply personal story of transformation and hope It speaks to anyone who has ever faced the pain of letting go not just of a life they once dreamed of but of themselves and found the strength to begin again not despite the heartbreak but because of the truths it uncovered This is the in between It aches It softens It transforms Step into the in between and find your way back to yourself **The Goalkeeper** Sean

White,2023-10-24 Lose the game she said Lose the game or everyone dies A wave of euphoria is sweeping across the British Kingdom Differences have been set aside and people are bound together by their devotion to the Guiding Principles of Joy and Compassion and their love for the Great Unifier soccer The whole world wants to be a part of it but for Josh Pittman the world is a place he feels he doesn t fit in Bored listless and somehow immune to the sporting paradise around him he can t even muster the enthusiasm to play in goal for his local team But when a chance encounter with a mysterious young woman leaves him with a broken nose a stolen car and a warning that humanity is under attack from a hidden race of supernatural beings Josh thinks he may have found his purpose in life and someone to share it with The only question is what has any of it got to do with him As the final of the grandest international tournament in history looms and strange deaths at stadiums across the globe go unreported Josh is whisked away on a journey through time and space to uncover the truth behind mankind s very existence and the role he is destined to play in what might just be the world s worst case of mistaken identity

A Complete Dictionary of the English Language, Both with Regard to Sound and Meaning ... To which is Prefixed a Prosodial Grammar ... The Second Edition ...
