

"He [God] shows the way, who has no sin himself" (John 8:14).
For present day Christians, particularly those in the new generation Protestant/Evangelical churches, tithing is a very important subject; one that fellow Christians will frequently use to judge whether you are a true born again Christian or not. The purpose of this book is to educate and hopefully liberate Christians who are finding it difficult to get away from the bondage of tithing. Although this book is directed primarily at Christians whose lives are often affected by many of the issues surrounding tithing, many of the issues covered in this book will also be useful in other areas of life, where financial matters are involved. The lack of understanding about tithing, does not only create confusion and guilt, it can also lead to the financial disaster of many Christians.

Oliver John who is a prolific writer, a scholar and a Christian, lives in the United Kingdom. He was drawn to the subject of tithing in the 1980's during his secondary and university education, when he realised that the same deceptive and manipulative tool he realised in many societies had also gradually crept into the Church. Since that realisation, Oliver has been gathering evidence for his book on tithing. His conviction to write about tithing was further heightened after seeing many confused Christians who continue to feel guilty about tithing.
