Tn Education Report Card:

The Mismeasure of Education Jim Horn, Denise Wilburn, 2013-07-01 With new student assessments and teacher evaluation schemes in the planning or early implementation phases this book takes a step back to examine the ideological and historical grounding potential benefits scholarly evidence and ethical basis for the new generation of test based accountability measures After providing the political and cultural contexts for the rise of the testing accountability movement in the 1960s that culminated almost forty years later in No Child Left Behind and Race to the Top this book then moves on to provide a policy history and social policy analysis of value added testing in Tennessee that is framed around questions of power relations winners and losers In examining the issues and exercise of power that are sustained in the long standing policy of standardized testing in schools this work provides a big picture perspective on assessment practices over time in the U S by examining the rise of value added assessment in Tennessee a fine grained and contemporary case is provided within that larger context The last half of the book provides a detailed survey of the research based critiques of value added methodology while detailing an aggressive marketing campaign to make value added modeling VAM a central component of reform strategies following NCLB The last chapter and epilogue place the continuation of test based accountability practices within the context of an emerging pushback against privatization high stakes testing and other education reforms This book will be useful to a wide audience including teachers parents school leaders policymakers researchers and students of educational history policy and politics

English Language Learners in the Southeastern United States Ester J. de Jong, Eric Dwyer, Mary Elizabeth Wilson-Patton, 2024-07-25 This book examines the impact of and response to the rapidly growing English language learner ELL populations in the southeastern United States on K 16 schooling Using examples of policy and practice from seven states Alabama Arkansas Florida Georgia North Carolina and Tennessee the book explores how the contemporary context of accountability regimes and neoliberal tenets affect educational responses to the increased linguistic and cultural diversity in schools and how these realities may be different from when traditional states such as California or Florida were developing their responses to immigration The collection of chapters addresses key questions of teacher preparation effective infrastructures and frameworks for serving ELLs dual language bilingual education and advocacy efforts at the state district and local level in the Southeast The authors describe promising practices in each state but also note the need for more systemic statewide approaches that resist the enduring monolingual discourse that has historically characterized much of ELL schooling They call for transformative policies and practices that take current research into account and that stress the centrality of pluralistic principles to design effective schools for ELLs

Leading Schools During Crisis Matthew J. Pepper, Tim D. London, Mike L. Dishman, Jessica L. Lewis, 2010-01-16 School leadership is synonymous with challenge However some school leaders face true crises situations threatening the continuing existence of their school *Leading Schools During Crisis* analyzes leadership and behaviors of principals in these extraordinary

circumstances A simultaneously scholarly and practice oriented book *Leading Schools During Crisis* proposes the first school specific model of defining and analyzing crises Through authentic case studies *Leading Schools During Crisis* offers a detailed theoretical and practical analysis of each crisis and the lessons from it for all school leaders Highlights of the twelve case studies include P S 234 Manhattan At nine a m on September 11 2001 the thirty seven teachers and 650 elementary students of P S 234 were twelve hundred feet from Ground Zero Principal Anna Switzer states r ight when the second plane crashed that s when we knew that it wasn t an accident George Washington Carver H S New Orleans Louisiana Principal Vanessa Eugene believed Katrina would be another chapter in New Orleans long history of near miss hurricanes Carver s campus was soon under ten feet of water Sobrante Park E S Oakland California Like many schools Sobrante Park only slowly realized the paradigm shift associated with the No Child Left Behind Act until the fifth year of failing to make Adequate Yearly Progress What do you do when all the data is bad asked Principal Marco Franco Platte Canyon H S Bailey Colorado Principal Brian Krause was approached by a frantic student who reported T here s a guy in the English classroom with a gun I remember thinking okay he said guy He didn t say student or kid or Johnny Other case studies include the challenges inherent in starting charter schools discovery of systemic and deliberate grade fraud rezoning of 95 percent of a elementary school s student population and leading a school populated by changing and often contentious re

Handbook of Research on the Educator Continuum and Development of Teachers Zugelder, Bryan S., L'Esperance, Mark, 2022-06-24 In light of recent sociological events and the COVID 19 pandemic education has undergone an incredible change in both policy and delivery As a result many educators have sought different career paths It is essential to maintain a concentrated effort to retain educators however recruiting teachers into the profession is only one area of focus there must be intentional support for teacher development along the educator continuum in order to sustain the profession through institutional struggles The *Handbook of Research on the Educator Continuum and Development of Teachers* expands on the body of research related to the educator continuum with a holistic view of teacher development This book combines theory concepts and research studies that pinpoint facets of the educator continuum providing researchers with scholarly contributions that advance the profession Covering topics such as instructional coaching special educator career development and teacher retention this major reference work is a valuable resource for educational faculty and administration teacher colleges educators of K 12 and higher education pre service teachers government officials teacher education administrators libraries researchers and academicians

Children of the Dream Rucker C. Johnson, 2019-04-16 An acclaimed economist reveals that school integration efforts in the 1970s and 1980s were overwhelmingly successful and argues that we must renew our commitment to integration for the sake of all Americans We are frequently told that school integration was a social experiment doomed from the start But as Rucker C Johnson demonstrates in *Children of the Dream* it was in fact a spectacular achievement Drawing on longitudinal studies going back to the 1960s he shows that students who attended integrated and well funded schools were more successful in life than those who did not and this held true for children of all races Yet as a society we have given up on integration Since the high point of integration in 1988 we have regressed and segregation again prevails Contending that integrated well funded schools are the primary engine of social mobility *Children of the Dream* offers a radical new take on social policy It is essential reading in our divided times

Reforming the Reform Susan L. Moffitt, Michaela Krug O'Neill, David K. Cohen, 2023-08-18 School reforms are almost always born out of big dreams and a well meaning desire to change the status quo the American education system as we know it was the product of such a reform But between the lawmakers who spearhead these changes and the students whose education is at stake there are countless teachers principals administrators and local politicians and correspondingly countless ways that things can go sideways In *Reforming the Reform* political scientist Susan Moffitt education scholar Michaela O'Neill and the late policy and education scholar David K Cohen take on a wide ranging examination of the nitty gritty of school reform They focus especially on mezzo level actors but the countless school superintendents principals and teachers figuring out how to apply a new policy in the

unique context of their district or school They conducted more than 250 interviews with mezzo level administrators in Tennessee and California chosen as contrasts for their different political makeup and centralization of the education system between 2016 and 2020 ending their data collection as schools were going virtual at the beginning of the pandemic They also collected survey data from across the US Finally they turned to archival data dating to the earliest American educational reform the creation of a centralized national education policy Taken together this data demonstrates an impressive ambition to identify common problems that arise when a general policy is implemented in a local context The framework provides a general explanation for problems facing social policy reforms in federalist systems including healthcare and offers pathways forward for education policy in particular Tennessee Statistical Abstract ,2000 NAEP 1994 Reading Report Card for the Nation and the States Jay R. Campbell,1996 This report describes students reading achievements at grades 4 8 and 12 and within various subgroups of the general population State level results are presented for individual states that chose to participate in the 1994 Trial State Assessment Chapter 1 presents an overview of the 1994 NAEP reading assessment and sample questions and responses Chapter 2 provides overall average proficiency results for the nation regions subgroups of students and jurisdictions participating in the Trial State Assessment Chapter 3 describes students reading performance in terms of achievement levels Chapter 4 focuses on cross state comparisons of proficiency results from the state by state assessment at grade 4 Chapter 5 describes contextual factors related to students reading achievement Chapter 6 describes specific abilities demonstrated by students in the NAEP reading assessment and reports student performance when reading for different purposes The most striking finding from the 1994 assessment is that the average reading proficiency of 12th grade students declined significantly from 1992 to 1994 Other major findings include 1 the decline in average proficiency among 12th graders between 1992 and 1994 was concentrated among lower performing students 2 reading proficiency at all three grade levels was higher on average for students whose parents had more education 3 at all three grade levels female students had higher average reading proficiencies than male students and 4 students who reported having a greater array of literacy materials in their homes displayed higher average reading achievement Contains 38 tables and 23 figures of data Appendixes provide an overview of procedures used in the 1994 assessment and describe students reading performance cross state proficiency and achievement level results and sample texts and questions RS *Resources in Education* ,2001-04

Government and Politics in Tennessee William Lyons, John M. Li Scheb, Billy Stair, Joseph Gregory Jarret, 2024-01-12 Most Americans are more aware of the workings of the federal government than of their own state governments But these laboratories of democracy constitute perhaps the most creative components of the American political experiment This book serves as a guide for students of government and provides a historical context for understanding the forces at work in the state's political system Among the states Tennessee's unique blend of legislative and executive powers is in some respects far more a product of personality than political ideology This second edition describes these often colorful leaders and the issues they grappled with including education health care corrections economic development and other key factors A full analysis of government institutions embodied in the legislative executive and judicial branches is supplemented by added attention to county government and public administration Fully up to date this edition also provides key chapters on the media political campaigns and the rising dominance of the Republican Party in recent decades In addition it focuses on how a new generation of politicians among them Governor Bill Haslam House Speaker Beth Harwell and Knoxville Mayor Madeline Rogero have emerged to carry on the legacy of state leadership William Lyons is the chief policy officer for the City of Knoxville and a professor emeritus of Political Science at the University of Tennessee Knoxville John M Scheb II is a professor of political science at the University of Tennessee Knoxville and a faculty fellow of the Howard H Baker Jr Center for Public Policy Billy Stair served for eighteen years in the legislative and executive branches of state government including eight years as senior policy advisor to the governor Joseph G Jarrett is a lecturer in the Department of Political Science at the University of Tennessee Knoxville and has been practicing public sector law for over two decades He served as Knox County's law director from 2008-2012
