Sexual Exploitation of Teenagers Jennifer Ann Drobac, 2016-02-02 When we consider the concept of sexual abuse and harassment our minds tend to jump either towards adults caught in unhealthy relationships or criminals who take advantage of children But the millions of maturing teenagers who also deal with sexual harassment can fall between the cracks When it comes to sexual relationships adolescents pose a particular problem Few teenagers possess all of the emotional and intellectual tools needed to navigate these threats including the all too real advances made by supervisors teachers and mentors In *Sexual Exploitation of Teenagers* Jennifer Drobac explores the shockingly common problem of maturing adolescents who are harassed and exploited by adults in their lives Reviewing the neuroscience and psychosocial evidence of adolescent development she explains why teens are so vulnerable to adult harassers Even today in an age of increasing public awareness criminal and civil law regarding the sexual abuse of minors remains tragically inept and irregular from state to state Drobac uses six recent cases of teens suffering sexual harassment to illuminate the flaws and contradictions of this system skillfully showing how our current laws fail to protect youths and offering an array of imaginative legal reforms that could achieve increased justice for adolescent victims of sexual coercion
