Something About You:

Queering the Stage Adi Cabral, 2024-12-13 *Queering the Stage Inclusive Approaches to Performing Gender and Sexuality* addresses a history of stereotyping and provides inclusive approaches to navigating gender and sexuality in a way that does not reduce the broad spectrum of LGBTQ communities into a single monolith. Butch it up Be more manly Add a little swish Queen out These instructions make performers feel minimized erased and forced to fit in a binary that encourages underdeveloped portrayals of queer identities This book will guide the reader in performance techniques for confidently embodying the masculine feminine gay straight binaries as concepts of chosen choreography rather than reductive prescriptions while also providing non binary exercises to explore and expand the use of the body voice heart and mind to bring life to characters of sexual orientations and gender identities that do and do not align with the actors lived experiences The reader will be presented with multiple tools for analyzing developing and embodying a diverse array of characters empowering them to make their own choices when it comes to performance While there is no right way to teach performance this book will present tools rooted in trauma informed practices that aim to prevent and undo harm in a group setting with a facilitator or individually This book is written for instructors of theatre performance and acting wishing to expand their curriculum to include queer concepts in their classroom and actors working in the industry who want to improve their ability performing characters of diverse genders and sexualities A companion website available at www.adicabral.com queering the stage provides additional materials to support exercises given throughout the book

Evaluation and Dissemination of an Undergraduate Program to Improve Retention of At-risk Students John Jonides, 1995 *Time, Language, and Ontology* M. Joshua Mozersky, 2015-01-29 This book brings together in a novel way an account of the structure of time with an account of our language and thought about time Joshua Mozersky argues that it is possible to reconcile the human experience of time which is centred on the present with the objective conception of time according to which all moments are intrinsically alike He defends a temporally centreless ontology along with a tenseless semantics that is compatible with and indeed helps to explain the need for tensed language and thought This theory of time also it is argued helps to elucidate the nature of change and temporal passage neither of which need be denied nor relegated to the realm of subjective experience only The book addresses a variety of topics including whether the past and future are real whether temporal passage is a genuine phenomenon or merely a subjective illusion how the asymmetry of time is to be understood the nature of representation how something can change its properties yet retain its identity and whether objects are three dimensional or four dimensional It is a wide ranging examination of recent issues in metaphysics philosophy of language and the philosophy of science and presents a compelling picture of the relationship of human beings to the spatiotemporal world

Just Give Me Your Last Name Temi Olaniyan, 2019-06-10 *Just Give Me Your Last Name* is a book that was born out of the life of a frustrated single waiting endlessly for love This book takes you through my journey of finding true love in singleness and

becoming whole in that process The aim of this book is to give you a different perspective to single life and to help you embrace your single journey as you hope to embrace the marriage journey The book is about finding the silver lining in the seemingly cloud of single life and letting that lining trump the cloud until the gloss of your single life is evident to the world My hope is that as you read this book you will prioritize finding and giving love as a single person instead of waiting for love to find you This book will move you to the front seat of your single life have you switch to cruise mode and soar the length and breadth of singleness in confidence This book will make you laugh get you thinking and ultimately move you to action that will birth the change you always hoped for

Sociological Reasoning Rob Stones,1996-07-03 While sociological modernists were outrageously presumptuous in their claims for sociological knowledge postmodernists have gone to another extreme in claiming that it has no more truth status than fiction Critical of both positions Sociological Reasoning develops an original typology of approaches to social scientific theory and research which is distinguished by its openness and reflexive awareness of rhetorical and methodological aspects of knowledge claims Laced with graphic illustrative examples this is a strikingly well written text that will appeal to students at undergraduate level and beyond

Fast/Forward Julian Birkinshaw,Jonas Ridderstråle,2023-05-25 A guide to the adhocracy form of business management and how it can foster a company's success The leading companies of the past twenty years have all harnessed the power of information to gain competitive advantage But as access to big data becomes

ubiquitous it can no longer guarantee a leg up Fast Forward makes the case that we are entering a new era in which firms that understand the limits of 1s and 0s will take the lead Whereas the industrial age saw the rise of bureaucracy and the information age has been described as a meritocracy we are witnessing the rise of adhocracy In uncertain rapidly changing times adhocratic organizations scan the horizon for winning opportunities Then instead of questing after more analysis they respond with agility by making smart intuitive decisions Combining decisive action with emotional conviction future facing firms seize the day Fast Forward paints the big picture of a new approach to strategy and provides the necessary playbook to make your company fit for the future Praise for Fast Forward Fast Forward makes a compelling case for spontaneity speed and a willingness to lead with intuition More importantly it speaks to the leadership qualities required to implement its suggestions providing practical ways to cultivate those qualities Jeffrey Pfeffer Stanford University author of Power Why Some People Have It and Others Don't Birkinshaw and Ridderström are on the right track In an ever faster globalized world companies not only need a compelling strategy but also an adaptive and caring performance culture To unleash their full ingenuity we have to empower our colleagues to act like owners Joe Kaeser President and CEO Siemens AG Big data is oversold as the most important facet of competitive advantage Rather breakthrough leaps of faith are necessary to achieve extraordinary results Fast Forward is full of practical advice about how to capitalize on this simple idea in order to forge your corporate future Anita McGahan Rotman School of Management author of How Industries Evolve *The Secret Language of Business* Kevin Hogan, 2010-05-25 Zu den Themen Körpersprache und nonverbale Kommunikation gibt es hunderte von Büchern Kevin Hogan überschreitet dabei die Idee der Körpersprache als reines Referenzmaterial und bringt sie durch *The Secret Language of Business* mit der Geschäftswelt in Einklang Dieses Buch ist auf das Lehren des Auf und Ab der Körpersprache ausgerichtet und wie diese nicht nur das private und geschäftliche Leben berührt sondern letztendlich auch verändert Die Einführungskapitel klärt über die Grundlagen von Körpersprache auf und die Kraft die sie besitzt Einstellungen Aktionen und Ergebnisse zu beeinflussen Nachdem Sie diese technische Aspekte bewältigt haben wird Hogan Ihnen beibringen Ihre Körpersprache zu Ihrem Vorteil in allen Aspekten des Berufslebens Meetings Verkaufstagen Bewerbungsgespräche Management etc zu nutzen *Marge and Julia* Rodger L.
