## **Somethingawful Guide To:**

It Came from Something Awful Dale Beran, 2025-06-25 How 4chan and 8chan fuel white nationalism inspire violence and infect politics The internet has transformed the ways we think and act and by consequence our politics The most impactful recent political movements on the far left and right started with massive online collectives of teenagers Strangely both movements began on the same website an anime imageboard called 4chan.org It Came from Something Awful is the fascinating and bizarre story of sites like 4chan and 8chan and their profound effect on youth counterculture Dale Beran has observed the anonymous messageboard community's shifting activities and interests since the beginning Sites like 4chan and 8chan are microcosms of the internet itself simultaneously at the vanguard of contemporary culture politics comedy and language and a new low for all of the above They were the original meme machines mostly frequented by socially awkward and disenfranchised young men in search of a place to be alone together During the recession of the late 2000s the memes became political 4chan was the online hub of a leftist hacker collective known as Anonymous and a prominent supporter of the Occupy Wall Street movement But within a few short years the site's ideology spun on its axis it became the birthplace and breeding ground of the alt right In It Came from Something Awful Beran uses his insider's knowledge and natural storytelling ability to chronicle 4chan's strange journey from creating rage comics to inciting riots to according to some memeing Donald Trump into the White House

Monuments Objects Histories traces the framing of an official national canon of Indian art through these different periods showing how the workings of disciplines and institutions have been tied to the pervasive authority of the nation At the same time it addresses the radical reconfiguration in recent times of the meaning and scope of the national leading to the kinds of exclusions and chauvinisms that lie at the root of the current endangerment of these disciplines and the monuments and art objects they encompass **The official theory test for drivers of large vehicles** Driving Standards Agency,2007-02-19
