Look Up! Susan Rast, 2024-06-28 To all believers God says I will never leave you nor forsake you Hebrews 13:5 NKJV To those who have experienced bitterness pain and loss this is a message worth hearing again and again Look up is one person's journey through the trials of life with a Savior who heard and answered her cries This book will allow you to experience her thoughts and walk with her on a path of hopefulness and mercy She proves that there is another side with Jesus Susan Rast is a wife mother grandmother sister aunt and friend She now is dedicated to prayer and tries to encourage all those God brings her way God's message through Susan is that no matter what has happened look up Your circumstances do not have to define you Like me she joyfully proclaims you have a story to tell You have a journey to share with others Tell your story Her God inspired cries through the fifty years turned into a purposeful path that led to making a difference for others Her words may be the cry of your heart also Her story may help define and give meaning to the journey you are on Look up she declares Take your focus off the details of your circumstances Live each day in an awareness of a totally fresh start God can carry you through your life journey Look up

Brave Enemies Robert Morgan, 2007-10-16 As the War for Independence wore on into the 1780s unrest ruled the Carolinas Settlers who had cleared the land after the Cherokees withdrew were being mustered for battle as British forces pillaged their hard won farms Robert Morgan's stunning novel tells a story of two people caught in the chaos raging in the wilderness After sixteen year old Josie Summers murders her abusive stepfather she runs away from home disguised as a boy Lost in the woods she accepts a young preacher's invitation to assist in his itinerant ministry Eventually her identity is revealed and affection grows between the two But when the preacher is kidnapped by British soldiers Josie disguises herself once again and joins the militia in a desperate attempt to find him Brave Enemies is a page turning story of people brought together by chance and torn apart by war a story of enduring love and of the struggle to build a homeland

The Road from Coorain Jill Ker Conway, 2011-06-22 In a memoir that pierces and delights us Jill Ker Conway tells the story of her astonishing journey into adulthood a journey that would ultimately span immense distances and encompass worlds ideas and ways of life that seem a century apart She was seven before she ever saw another girl child At eight still too small to mount her horse unaided she was galloping miles alone across Coorain her parents thirty thousand windswept drought haunted acres in the Australian outback doing a man's job of helping herd the sheep because World War II had taken away the able bodied men She loved and makes us see and feel the vast unpeopled landscape beautiful and hostile whose uncertain weathers tormented the sheep ranchers with conflicting promises of riches and inescapable disaster She adored and makes us know her large visioned father and her strong radiant mother who had gone willingly with him into a pioneering life of loneliness and bone breaking toil who seemed miraculously

to succeed in creating a warmly sheltering home in the harsh outback and who upon her husband's sudden death when Jill was ten began to slide bereft of the partnership of work and love that had so utterly fulfilled her into depression and dependency We see Jill staggered by the loss of her father catapulted to what seemed another planet the suburban Sydney of the 1950s and its crowded noisy cliquish school life Then the heady excitement of the University but with it a yet more demanding course of lessons Jill embracing new ideas new possibilities while at the same time trying to be mother to her mother and resenting it escaping into drink pulling herself back striking a balance We see her slowly gaining strength coming into her own emotionally and intellectually and beginning the joyous love affair that gave wings to her newfound self Worlds away from Coorain in America Jill Conway became a historian and the first woman president of Smith College Her story of Coorain and the road from Coorain startles by its passion and evocative power by its understanding of the ways in which a total deep rooted commitment to place or to a dream can at once liberate and imprison It is a story of childhood as both Eden and anguish and of growing up as a journey toward the difficult life of the free

Diversity, equity and inclusion in sport and leisure Katherine Dashper, Thomas Fletcher, 2016-01-08 Despite the mythology of sport bringing people together and encouraging everyone to work collectively to success modern sport remains a site of exclusionary practices that operate on a number of levels Although sports participation is in some cases at least becoming more open and meritocratic at the management level it remains very homogenous dominated by western white middle aged able bodied men This has implications both for how sport develops and how it is experienced by different participant groups across all levels Critical studies of sport have revealed that rather than being a passive mechanism and merely reflecting inequality sport via social agents interactions with sporting spaces is actively involved in producing reproducing sustaining and indeed resisting various manifestations of inequality The experiences of marginalised groups can act as a resource for explaining contemporary political struggles over what sport means how it should be played and by whom and its place within wider society Central to this collection is the argument that the dynamics of cultural identities are contextually contingent influenced heavily by time and place and the extent to which they are embedded in the culture of their geographic location They also come to function differently within certain sites and institutions be it in one's everyday routine or leisure pursuits such as sport Among the themes and issues explored by the contributors to this volume are social inclusion and exclusion in relation to class race and ethnicity gender and sexuality social identities and authenticity social policy deviance and fandom This book was published as a special issue of Sport in Society
