A dramatic landscape featuring dark, silhouetted mountains in the foreground. The sky is filled with heavy, dark clouds, but a bright light source, likely the sun, is breaking through the clouds in the center, creating a powerful lens flare and illuminating the scene with a golden glow. The overall mood is one of awe and divine presence.

One Year Devos for Teens Susie Shellenberger, 2002 Shows how time spent with God can help face tough issues every day **Our Cry for Revival** Nick Harrison, 2024-11-05 What Christian isn't hungry for revival Not just an emotional display of faith but a revival that changes lives renews churches and can even change history Such revivals as the Great Awakening the Welsh Revival and the Jesus Movement have earned their place in church history and are evidence that God is still alive and active Even smaller revivals such as the recent revival at Asbury University in Wilmore Kentucky caught the attention of the world as upwards of fifty thousand Christians traveled to the college campus to witness this move of God The recent movie *The Jesus Revolution* was a surprise success at the box office as once again Christians flocked to hear about revival Make no mistake there is a worldwide hunger for revival and especially so among American Christians The great news is that every Christian has a part to play in bringing about revival That part is first last and always prayer Revivals are born from prayer But will Christians pray Do they really want revival If recent events are indications of that fresh hunger for God in our midst then the answer is a resounding yes With daily Scripture readings reflections prayer prompts and quotes from classic Christian leaders this 365 day guide will aid you in your quest to experience both personal and widespread revival through persistent prayer Yes revival is on its way Will you be one of the prayer warriors to usher in this next great move of God

Broken Unto Wholeness Marilyn Hansen, 2020-07-27 It is a desire to be used by God as His instrument to bring wounded souls into wholeness through the shed blood of His Son Jesus by sharing our brokenness with others We feel sorrowful but blessed when we discover that God can use all things together for the good of those who love Him Marilyn Hansen is one to encourage others while struggling to believe that God could make something beautiful out of her own brokenness Being obedient to God's call she writes about how He made the broken pieces of her life whole for His glory It

was as though God were saying Marilyn how do you think the world has seen Me If it wasn't for your brokenness I couldn't make you whole I chose you just the way you are I have allowed you to be broken to make you whole Be filled with My Spirit I only ask that you pour yourself out that others might be made whole As I look back on my life I feel very blessed that God could take the broken pieces and use them as a testament of His healing power I wish He had not had to sacrifice His Son for me but know I also am a sinner in need of His grace I wish I had known Him earlier in my life so I could be obedient to Him and fulfill His plan for my life But by His grace He has enabled me to be His servant by ministering to other wounded souls through which I can bring honor and glory to Him He has taken the broken pieces of my life and made something beautiful for His use His grace is sufficient in meeting my needs and yours Let us allow Him to use us that He might be glorified by our willingness to be obedient to Him and fulfilling all He has called us to be Will you allow God to make you Broken Unto Wholeness so He can take you on a journey that others will see and desire to let Him be seen in you Your life does make a difference because of how He is glorified in your brokenness **Secrets of the Supernatural Life** Shawn

Maureen Kelly, 2010-05-10 **The Power of Prayer**, 2025-06-11 There is something unexplainable that happens when a heart cries out to God and heaven leans in to listen Prayer is not just a habit or a duty It is the lifeline between the soul and its Savior It is the holy ground where weak words touch Almighty strength It is the sacred place where the invisible becomes real and the impossible begins to move Prayer is where burdens are laid down and peace is picked up It is where confusion gives way to clarity It is where wounds begin to heal not because we fix them but because we finally give them to the One who can In prayer we trade our fear for His courage We exchange our sorrow for His joy We offer our small faith in return for His great power Every page of Scripture echoes the truth that God hears God answers God moves when His people pray Elijah called down fire Hannah poured out her soul through tears Daniel knelt to pray even when it was forbidden Jesus wept and prayed in Gethsemane before facing the cross The Word of God keeps proving that prayer is not a last resort It is the first and strongest move of faith If you have ever wondered if your prayers matter they do If you have questioned whether your voice is heard it is If you have doubted whether heaven moves for someone like you this book was written for you The

power of prayer is not in perfect words It is not in polished faith It is in a willing heart that dares to speak to the God who listens The same power that met saints of old still waits to meet you One person One prayer One God who never stops answering *Saved by Angels* Bruce Van Natta,2008-06-28 Many people believe in and practice praying to the Lord but the Bible is very clear that the Lord also speaks back to us in various ways This book goes into detail about the 7 different ways that God speaks to us as found in the Bible and how that applies to our lives today It reveals to us that these 7 areas are not just the different ways that God still speaks to us but that when looked at as a whole they are a picture of what a healthy relationship with God involves It further shows that this kind of intimate relationship is available to all believers and that this is exactly the kind of relationship that God desires to have with each of us Throughout the book several Biblical and personal examples are used to validate each section The reader is also given opportunities to see how God has already been talking to them in his her own life and then record these examples at the end of every chapter Each person who reads this book is challenged to grow in his her relationship with the Lord and is given many tools to help accomplish that This is important because when a believer has an intimate relationship with the Lord they hear His voice more clearly The Holy Spirit is then better able to guide and empower the believer to become victorious in their daily walk **The Mechanic's Gift** John A. Saurino,2019-10-02 John Saurino is a physician with a passion for racing cars While at the National Championships he meets a mysterious stranger who guides him through a spiritual journey and changes his life forever The blessings this gentle mechanic provides are many in number but his greatest gift waits patiently at the end of the marvelous adventure they experience together This is an exciting story of one man s Christian walk which begins with basic biblical teaching and progresses logically on to much more advanced theology It addresses questions like What is our job as Christians How often does God speak to us and what can we do to improve our ability to hear His voice What did you gain when Christ entered into your heart This book will provide the vital information required to defend your faith Get ready for God to push the envelope of what you believe Truth Unchanging Becky Thompson,2019-04-16 Motherhood is often noisy and rarely silent Learn to hear God speaking above all the noise in these daily devotions that can be completed in five minutes or less As moms know even when there isn t noise around us there is usually noise within us The constant to do lists that spin in our minds the worry and wonder if we are doing a good job and the need to stay two steps ahead of our families when we feel two steps behind keeps our minds routinely restless So when quiet time with God isn t so quiet and alone time is nearly nonexistent how does a modern day momma tune in the voice of the Lord With Truth Unchanging you don t have to wait until you re alone to talk with Jesus Designed to be read in five minutes or less each powerful hope filled devotion will refocus your heart on the Word of God refresh your mind with God s Truth for your life revive your spirit as you realize God is speaking to you personally Truth Unchanging is not just a devotional It s an opportunity to begin daily conversations with Jesus the One who has everything we need to take on the days ahead the One who wants to speak to you right now Tune in to His voice today
