Sonic Youth David Browne, 2013-06-17 Sonic Youth est une institution sans équivalent dans l'univers du rock Leur son singulier et sans compromis est né dans le New York des années 80 et a ouvert la voie à un nombre considérable de musiciens en premier lieu Kurt Cobain qui citait Sonic Youth comme un exemple à suivre ou encore Pavement Cat Power The Strokes Yeah Yeah Yeahs ou Dinosaur Jr de cinquantistes ou de comédiens Sofia Coppola Spike Jonze Chloë Sevigny et d'artistes Raymond Pettibon Richard Prince Aujourd'hui alors que le sort du groupe est en suspens après trente ans d'activité chacun d'entre eux continue d'évoluer au sein de différentes formations Chelsea Light Moving Body Head Disappears et de créer l'histoire de la culture pop et du monde alternatif Avec *Goodbye 20th Century* David Browne nous livre l'histoire d'un groupe unique partir de nombreuses recherches et d'interviews inédites du groupe et de ceux qui les ont accompagnés Ce livre est bien plus que la biographie d'un groupe rock emblématique C'est tout un pan de la culture alternative américaine qui y est décrit **Goodbye**

20th Century (Large Print 16pt) David Browne, 2010-06 Rising from the drug infested streets of 80s New York City the incomparable Sonic Youth recorded some of the most important albums in alternative music history and influenced an entire generation of indie rockers They helped spawn an alternative arts scene of underground films and comics conceptual art experimental music even fashion More than perhaps any band of their time they brought art previously considered fringe into the mainstream and irrevocably altered the cultural zeitgeist Based on extensive research exclusive band interviews and unprecedented access to unreleased recordings and documents *Goodbye 20th Century* is the definitive biography of the Velvet Underground of their generation *Goodbye 20th Century* David Browne, 2008 There has never been a rock institution quite like Sonic Youth Their distinctive uncompromising sound provided a map for innumerable musicians who followed and in 2005 CMJ the bible of the indie and alternative music world ranked them no 3 on its list of the 25 most influential artists of the last quarter century But their impact does not end with their music The Sonic Youth worldview encompasses punk rock trashy pulp fiction pop art minimalism contemporary classical composition glam rock leftist politics feminist iconography and ironic humour Countless musicians and artists including Kurt Cobain Beck Spike Jonze and Sofia Coppola were introduced to the world thanks to Sonic Youth In *Goodbye 20th Century* David Browne tells the full glorious story of the Velvet Underground of their generation based on extensive research fresh interviews with the band and those who have worked with them and unprecedented access to unreleased recordings and documents Complete with never before published photos and artwork *Goodbye 20th Century* is a richly detailed account of an iconic band and the times they helped create *The Metareferential Turn in Contemporary Arts and Media* Werner Wolf, 2011-01-01 One possible description of the contemporary medial landscape in Western culture is that it has gone meta to an unprecedented extent so that a remarkable meta culture has emerged Indeed metareference i.e. self reflexive comments on or references to various kinds of media related aspects of a given medial artefact or performance specific media and arts or the media in general is

omnipresent and can nowadays be encountered in high art and literature as frequently as in their popular counterparts in the traditional media as well as in new media From the Simpsons pop music children s literature computer games and pornography to the contemporary visual arts feature film postmodern fiction drama and even architecture everywhere one can find metareferential explorations comments on or criticism of representation medial conventions or modes of production and reception and related issues Within individual media and genres notably in research on postmodernist metafiction this outspoken tendency towards metaization is known well enough and various reasons have been given for it Yet never has there been an attempt to account for what one may aptly term the current metareferential turn on a larger transmedial scale This is what *The Metareferential Turn in Contemporary Arts and Media Forms Functions Attempts at Explanation* undertakes to do as a sequel to its predecessor the volume *Metareference across Media* vol 4 in the series *Studies in Intermediality* which was dedicated to theoretical issues and transhistorical case studies Coming from diverse disciplinary and methodological backgrounds the contributors to the present volume propose explanations of impressive subtlety breadth and depth for the current situation in addition to exploring individual forms and functions of metareference which may be linked with particular explanations As expected there is no monocausal reason to be found for the situation under scrutiny yet the proposals made have in their compination a remarkable explanatory power which contributes to a better understanding of an important facet of current media production and reception The essays assembled in the volume which also contains an introduction with a detailed survey over the possibilities of accounting for the metareferential turn will be relevant to students and scholars from a wide variety of fields cultural history at large intermediality and media studies as well as more particularly literary studies music film and art history
