**Great War Modernists** Lee M. Jenkins, 2024-07-11 Taking 44 Mecklenburgh Square as the focal point and springboard for a critical group study of D H Lawrence H D and Richard Aldington this book offers a fresh perspective on the relationship of modernist biofiction and poetry to the literature of the First World War A group that Perdita Schaffner described as another Bloomsbury set the Mecklenburgh Square writers like the Bloomsbury Group proper lived in squares and loved in triangles in Dorothy Parker's famous formulation Geographically adjacent these sets intersected socially and at points in their aesthetics both practiced innovative forms of what may broadly be defined as life writing But demarcating the Mecklenburgh Square writers from the Bloomsbury Set the former had its origins in the transatlantic avant garde Lawrence H D Aldington and John Cournos were all associated with Imagism the poetic movement which instantiated Anglo American modernism Considered as a pro tem

collective these four poets all of whom were also novelists and translators contest the binaries that still obtain between modernist and First World War writing This group study of Lawrence H D Aldington and Cournos tracks the transition of Imagism from a pre war mode to a war poetics which includes but is not confined to the trench lyric and it traces in the transtextual relations between the Mecklenburgh Square novels the traumatic imprint of the war on modernist life writing

*D. H. Lawrence: Sons and Lovers Scholarly edition* Helen Baron, Carl Baron, 1992 Torn between his passion for two women and his abiding attachment to his mother young Paul Morel struggles with his desire to please everyone particularly himself Lawrence s highly autobiographical novel unfolds against the backdrop of his native Nottinghamshire coal fields amidst a working class family dominated by a brutish father and a loving but overbearing mother *Sons and Lovers* David Herbert Lawrence, 1997 *Sons and Lovers* is one of the landmark novels of the twentieth century It was immediately recognized as the first great modern restatement of the oedipal drama when it appeared in 1913 and is widely considered the major work of D H Lawrence s early period This intensely autobiographical novel recounts the story of Paul Morel a young artist growing to manhood in a British working class family rife with conflict The author s vivid evocation of life in a Nottingham mining village in the years before the First World War and his depiction of the all consuming nature of possessive love and sexual attraction make this one of his most powerful novels Of all Lawrence s work *Sons and Lovers* tells us most about the emotional source of his ideas observed Diana Trilling The famous Lawrence theme of the struggle for sexual power and he is sure that all the struggles of civilized life have their root in this primary contest is the constantly elaborated statement of the fierce battle which tore Lawrence s family For Kate Millett *Sons and Lovers* is a great novel because it has the ring of something written from deeply felt experience The past remembered it conveys more of Lawrence s own knowledge of life than anything else he wrote His other novels appear somehow artificial beside it ***Sons and Lovers by D.
