challenging prospect This guide aims to make that process a little simpler There are 350 reviews covering all budgets and boroughs from Brooklyn's Indian eateries to the finest French restaurants on the Upper East Side The only criterion for entry into the book is a thorough recommendation *TV Guide*, 2007 [The Rough Guide to Gangster Movies](#) Lloyd Hughes, 2005 Presents a history of gangster films covering the actors essential films and plots of the genre *Paying Respect to The Sopranos* Christopher J. Vincent, 2014-01-10 This work provides a detailed account of lead character Tony Soprano's psychological journey through all episodes of all six seasons of the popular HBO show The Sopranos Through a window of psychological interpretation and social analysis the author examines creator David Chase's unique interweaving of modern family dynamics organized crime American society and mental health Early chapters focus on Tony's influential early life experiences and the mental stress that affects him as a result of violent criminal activity and fluctuating relationships with his wife and children Later chapters focus on internal conflicts and behavioral symptoms and the critical role of Tony's psychiatric therapy sessions The book's final chapters explore the Soprano family as a unified whole **In Pursuit of Elegance** Matthew E. May, 2010-09-07 What made the Sopranos finale one of the most talked about events in television history Why is sudoku so addictive and the iPhone so darn irresistible What do Jackson Pollock and Lance Armstrong have in common with theoretical physicists and Buddhist monks Elegance In this thought provoking exploration of why certain events products and people capture our attention and imaginations Matthew E May examines the elusive element behind so many innovative breakthroughs in fields ranging from physics and marketing to design and popular culture Combining unusual simplicity and surprising power elegance is characterized by four key elements seduction subtraction symmetry and sustainability In a compelling story driven narrative that sheds light on the need for elegance in design engineering art urban planning sports and work May offers surprising evidence that what's not there often trumps what is In the bestselling tradition of *The Tipping Point* *Made to Stick* and *The Black Swan* *In Pursuit of Elegance* will change the way you think about the world **The Sopranos on the Couch** Maurice Yacowar, 2003-01-01 If television programming is normally considered a wasteland then The Sopranos may be thought of as a jungle richly colored teeming with life dark with mystery The Sopranos on the Couch is a must for all who are already caught up in the excitement as well as for viewers who are coming to the show for the first time Yacowar helps us understand exactly why we can't get enough of Tony Soprano and that colorful mafia family that we hate to love and often love to hate This pop culture sensation is not only the most controversial series on television but also the most provocative thoughtful and complex Its language and themes have stretched the norms of commercial television many characters and phrases having entered our everyday life The Sopranos on the Couch is the first book to provide a compact lively and authoritative examination of each episode and season the themes inside jokes and allusions thereby putting the series into a broader cultural context *Howl* Bark Editors, 2008-10-07 A pot roast left unguarded An open bedroom door An ill timed squat Dogs seem to have impeccable timing Yet how quickly calamity turns to
