**Visualising China in Southern Africa** Juliette Leeb-du Toit, Ruth Simbao, Ross Anthony, Rui Assubuji, Ying Cheng, Malcolm

Corrigall, Romain Dittgen, Esther Esmyol, Philip Harrison, Patricia Hayes, Binjun Hu, T Tu Huynh, Nicola Kritzing, Mark Lewis, Khangelani Moyo, Stary Mwaba, Marcus Neustetter, Kristin NG-Yang, Gemma Rodrigues, Shuo Wang, Yan Yang, Lifang Zhang, 2023-03-01 China and Africa have long shared a history of allegiance and contact points through global political forces from the time of colonialism and the Cold War. With China's rise as the new superpower, its presence in Africa has expanded leading to significant economic, geopolitical and cultural shifts. While issues such as trade aid and development have received much attention, Chinese and African encounters through the lens of the visual arts and material culture is a neglected field. *Visualising China in Southern Africa: Biography, Circulation, Transgression* is a ground breaking volume that addresses this deficit through engaging with the work of contemporary African and Chinese artists while analysing broader material production that prefigures the current relationship. The essays are wide ranging in their analysis of ceramics, photography, painting, etching, sculpture, film, performance, postcards, stamps, installations, political posters, cartoons and architecture. *Visualising China in Southern Africa* confines its focus to southern Africa yet even within this region the context is complex. Ethnicity and nationalism, the lingering influence of Cold War allegiances and colonial configurations all continue to play a role. The various visual cultures discussed in this volume emphasise the commonality of these categories but also point towards other shared histories that transcend the nation state category. The collection includes scholarly chapters, photo essays, interviews and artists' personal accounts organised around four themes: material flows, orientations and transgressions, spatial imaginaries and biographies. The artists, photographers, filmmakers, curators and collectors in this volume include Stary Mwaba, Hua Jiming, Anawana Haloba, Gerald Machona, Nobukho Nqaba, Marcus Neustetter, Brett Murray, Diane Victor, William Kentridge, Kristin NG Yang, Kok Nam, Mark Lewis, the Chinese Camera Club of South Africa, Wu Jing, Henion Han and Shengkai Wu.

**Intra-Africa Migrations** Inocent Moyo, Jussi P. Laine, Christopher Changwe Nshimbi, 2021-02-21 This book discusses regional and continental integration in Africa by examining the management of migration across the continent. It examines borders and securitisation of migration and the challenges and opportunities that arise out of reconfigured continental demographics. The book offers insights on intra Africa migrations and highlights how intra continental migration creates socio economic and cultural borders. It explores how these borders beyond the physical boundaries of states including the Berlin Conference constructed borders create cultural divides, challenges for economic integration and cross border security and irregular migration patterns. While the movement of economic goods is valued for regional economic integration, the mobility of people is seen as a threat. This approach to migration contradicts the intentions of true integration and development and triggers negative responses such as xenophobia that cannot be addressed by simply managing the physical border and allowing free movement. This book engages in a pivotal discussion of these issues which are hitherto missing in African border studies by demonstrating the ubiquity and overreaching influence of various kinds of borders on the African continent. With multidisciplinary contributions that provide an in depth understanding of intra Africa migrations and
