Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1976 **Construction Management**
Denny McGeorge, Patrick X. W. Zou, 2012-12-17 The construction industry faces continual challenges and demands due to market conditions and coercion by governments for improvements in safety quality and cost control and in the avoidance of contractual disputes To meet these challenges construction enterprises need to constantly seek new directions and business models in construction management A number of tools methods and concepts have been developed and advocated as aids to achieving improved performance but many in the industry find them confusing or are sceptical of their relevance The third edition of Construction Management New Directions brings together in a single volume detailed discussion of a range of contemporary management concepts which are relevant to the construction industry including strategic management benchmarking reengineering partnering and alliancing enterprise risk management total safety management total quality management value management and constructability It provides a straightforward accessible and objective account of these concepts showing how they interrelate and can be used to improve the performance of the construction firm This research based text will be essential reading for industry leaders and practitioners as well as researchers postgraduate and senior undergraduate students From a review of previous editions I am in no doubt that this book will quickly become a favourite among students and practitioners alike Construction Manager **Business Education Forum** , 1962 *Books and Pamphlets, Including Serials and Contributions to Periodicals* Library of Congress. Copyright Office, 1974 **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
